

BLOOD DONATION CAMP

2019

Prakriti MSIT conducted its flagship event, the annual blood donation camp within the college premises. The camp was conducted on 14th February from 9 AM to 3 PM in the college auditorium in honour of our beloved late chairman Sh. S.P SINGH. Special thanks to Rotary Janak for providing us with medical staff and donation camp without which event wouldn't have been possible. Proper check-up was done for all the people who wished to donate blood. People who were healthy enough to donate blood were taken to the donation area. Our volunteers were available at every point of the procedure for the support of donors and medical staff.

Once, someone was done donating blood the person was taken to the resting area where he/she was provided with refreshments to recover and a donor card which will help the donor or its family in future if they ever needed support from the blood bank. Many students, as well as the college staff, participated in the noble cause of blood donation.

The event concluded with a count of 127 units of blood and a lot of good memories and experience.
