Outcomes of The Activity:

- Dr. Sudesh Pahal (Convener, IIC MSIT) and student coordinators explained how IIC MSIT supports entrepreneurship, innovation and startup culture. Organizing periodic workshops/ seminars/ interactions with investors, professionals and creating a mentor pool for student innovators.

- A presentation was presented to the students for a better understanding about Institution Innovation Council, National Innovation Contest and Smart India Hackathon.

- Rakshit Satija (Guest) Founder and CEO of Skyware, shared his experience how he found interest in building automation products in his final year of engineering with a vision to transform the post-harvest (Agricultural) industry in India.

- Rakshit Satija inspired all the esteemed council members and fellow students and also explained how Institution Innovation Council MSIT helped him in his innovation journey.

- Students got to know how Institution Innovation Council MSIT helps in establishing a vibrant innovation ecosystem for scouting ideas and Pre-incubation of Ideas and developing better cognitive ability for technology students.
- The students were impressed and found the event very useful. Students interacted with the speaker to clear their doubts about the initial journey of an innovation.
