Strategy to crack Gate and other competitive exams by Made Easy 20/9/2021
CSE -M Brief Description (around 200 words)

CSE Department of Maharaja Surajmal Institute Of Technology (MSIT), New Delhi organized a webinar on the topic "Strategy to crack Gate and other competitive exams by Made Easy." on 20th September, 2021. The objective of this webinar was to guide students and enlighten them of the various career options available after B.Tech. and how to crack those exams. The speaker for this webinar was Mr. Pulkat Singh. It was a very informative and interactive event. In this session students were enlightened about the various career opportunities they can pursue after graduating as engineers and also about various paths they can take. The session revolved around the various national level exams that are needed in case of jobs as well as for higher studies in the renowned and prestigious institutions. The examinations included were recognized by all major recruiters and the Government of India. These include – GATE and other competitive exams.

How to do well in Aptitude Test	22/10/2021
CSE-M Brief Description (around 200 words)	
Department of CSE has organized a webinar on How to do well in Aptitude Test on 22 October 2021 for CSE 3 rd Year students. The expert was Mr. <u>Abhishek Vyas</u> from T.I.M.E. Group. He has motivated students to practice realistic online tests and suggested everyone that they should know the format of the tests and their weakest area that will surely help them to do well in Aptitude. Everyone should also manage their time carefully during the exams and don't get stuck on particular question as it will make them delayed for further solutions. At the end of the test and before few minutes one should revise whether there is any question left for attempting. One should also refresh themselves before the test as it will help them to focus on the test. Overall, it was an informative program and the speaker has discussed the topics very well and entertained every query raised by the students.

'The Achiever's Talk – Know how to crack scholarships and internships!'
13/11/2021

CSE-M Brief Description (around 200 words)

A webinar on 'The Achiever's Talk – Know how to crack scholarships and internships!' was conducted under the guidance of the IT and CSE Department of MSIT, by the students who have achieved scholarships and internships through the opportunities from Microsoft and Google. The speakers also gave their tips on how to prepare for the interviews and shared the correct path they followed. They emphasized on learning Data Structures and Algorithms. They shared their overall experiences and tried to cover the doubts of each and every attendee.

REPORT on 2 Week Industrial Training on the Topic "Data Science"

Department of CSE organized two week online Industrial Training on the Topic "Data Science" from 15th Nov to 26th Nov, 2021. The expert was Mr. Ravikant from Brain Mentor Pvt. Ltd. The following topics were covered day wise

Day - 1

- Python Programming Setup
- Basic Syntax of Python Programming
- Loops and If Else

Day - 2

- Automated Scripts (Web Crawling)
- Movie Search Engine Using Web Crawling
- API Calls

Day - 3

- Functional Programming with Python
- Basic Functions and Parameters
- Generators
- Filter, Map, Lambda, Reduce

Day - 4

- Introduction to Data Analysis and Visualization
- Getting started with Numpy
- Data Analysis using Pandas
- Data Visualization with Matplotlib and Seaborn

Day - 5

- Introduction to Machine Learning
- Mathematics of Linear Regression
- Mathematical Implementation of Linear Regression
- Using sklearn
- Other Regression Techniques

Day - 6

Seminar on Machine Learning with Artificial Intelligence

Department of CSE organized a seminar on Machine Learning with Artificial Intelligence on 11 March 2022 from 12:30 pm to 2.30 pm for CSE 2nd Year students in Seminar Hall #406. The expert was Er. Rohit Pahwa from Shape My Skill Pvt. Ltd. He had covered the topics what is Artificial Intelligence with AI, how we make intelligent machines, how AI is used to mimic human learning process and helps in doing the jobs faster than human being. He had also discussed how machine learning is used to develop the AI applications, different stages of AI, Subsets of AI and Machine Learning and some coding basics related to the same. The topics were well explained and expert has entertained every query raised by the

Seminar on Career Opportunities in Machine Learning

Department of CSE organized a seminar on Career Opportunities in Machine Learning on 14 March 2022 from 11am to 12.30 pm for CSE 3rd Year students in Seminar Hall #406 . The expert was Mr. Anil Sharma from AI Pathshala. He had discussed what machine learning is, how machine learning applications changing the world, what are the different domains in machine learning career, what are the different designations hold by a machine learning engineer. Expert aware the students about the job demands in machine learning in different companies and how to shape up yourself according to these demands. Overall, it was an informative program and the speaker has discussed the topics very well and entertained every query raised by the students.

Seminar on Guidance on Internship Programme

Department of CSE organized a seminar on the guidance of Internship Programme for Second Year students on 27th April 2022 at 11:00- 12:00 Pm in room no 406. This session was taken by the third Year students Prince and Hritik. These students gave guidance to their juniors what is the best way for internship and what is the right time to join internship programme. They told them that if you are doing certification course in any language then you must master it and you must participate in various contest on codechef, hecerrank and other platforms. Overall, it was an informative program and the speaker has discussed the topics very well and entertained every query raised by the students.

'The Achiever's Talk – Know how to crack scholarships and internships!'
13/11/2021

CSE-M Brief Description (around 200 words)

A webinar on 'The Achiever's Talk – Know how to crack scholarships and internships!' was conducted under the guidance of the IT and CSE Department of MSIT, by the students who have achieved scholarships and internships through the opportunities from Microsoft and Google. The speakers also gave their tips on how to prepare for the interviews and shared the correct path they followed. They emphasized on learning Data Structures and Algorithms. They shared their overall experiences and tried to cover the doubts of each and every attendee.

REPORT on 2 Week Industrial Training on the Topic "Data Science"

Department of CSE organized two week online Industrial Training on the Topic "Data Science" from 15th Nov to 26th Nov, 2021. The expert was Mr. Ravikant from Brain Mentor Pvt. Ltd. The following topics were covered day wise

Day - 1

- Python Programming Setup
- Basic Syntax of Python Programming
- Loops and If Else

Day - 2

- Automated Scripts (Web Crawling)
- Movie Search Engine Using Web Crawling
- API Calls

Day - 3

- Functional Programming with Python
- Basic Functions and Parameters
- Generators
- Filter, Map, Lambda, Reduce

Day - 4

- Introduction to Data Analysis and Visualization
- Getting started with Numpy
- Data Analysis using Pandas
- Data Visualization with Matplotlib and Seaborn

Day - 5

- Introduction to Machine Learning
- Mathematics of Linear Regression
- Mathematical Implementation of Linear Regression
- Using sklearn
- Other Regression Techniques

Day - 6

Seminar on Machine Learning with Artificial Intelligence

Department of CSE organized a seminar on Machine Learning with Artificial Intelligence on 11 March 2022 from 12:30 pm to 2.30 pm for CSE 2nd Year students in Seminar Hall #406. The expert was Er. Rohit Pahwa from Shape My Skill Pvt. Ltd. He had covered the topics what is Artificial Intelligence with AI, how we make intelligent machines, how AI is used to mimic human learning process and helps in doing the jobs faster than human being. He had also discussed how machine learning is used to develop the AI applications, different stages of AI, Subsets of AI and Machine Learning and some coding basics related to the same. The topics were well explained and expert has entertained every query raised by the
