**Department of Information Technology
Seminar on Orientation'22**

The Department of Information Technology has organized Orientation'22 on 17 November 2022 in collaboration with Google Developer Student Clubs MSIT to provide students insights to the society, its working culture and information about the recruitment drive.

The event began with a greeting note and a brief overview of Google Developer Student Clubs, including its goal, working, and perks. After providing some background on GDSC MSIT, GDSC Lead Ms. Kavya Jain addressed the audience, followed by a word of gratitude from our faculty advisor Ms. Priya Dalal. Further, the core team members were introduced, and they then shared their experience with GDSC MSIT, followed by the team structure of the society.

Later on, the audience was addressed by Dr. H. S. Rawat, Director, MSI, to boost the confidence and encourage students to join societies to enhance their skills. It was followed by fun games and Compose Campaign. The students who successfully completed the campaign were awarded with the certifications. At last, the ongoing Google Cloud Career Practitioner was discussed, which ended with a Q&A session with the audience and swag distribution among them. The event ended with a thank-you note from the GDSC MSIT Team.
