

**NSS MSIT**

The National Service Scheme Cell of  
Maharaja Surajmal Institute of Technology  
**2022-2023**

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The sole aim of NSS is to provide hands-on experience to young students in delivering community service. Since the inception of the NSS in the year 1969, they have gone from a student base of 40,000 to over 3.8 million up till March 2018.

Since its inception in 2019, **NSS cell of Maharaja Surajmal Institute of Technology** has held various engaging events. It also supports and strengthens NGOs, rural or urban communities and organises various events in collaboration with Prakriti MSIT (environmental society of MSIT) as well. Clothes, food and books donation, donation for flood victims, blood donation Camp are some notable events organised by NSS Cell of MSIT.

NSS MSIT can be reached via [nssclub@msit.in](mailto:nssclub@msit.in)

# MOVIE EXHIBITION ON PARTITION HORRORS REMEMBRANCE

13 AUGUST, 2022

NSS MSIT organized a movie exhibition on partition horrors remembrance for the faculty members of MSIT. To showcase the sufferings of partition affected people.

Even Director sir Col. Dr. Rajnit singh joined for this event. This event took place at 11:30 am in MSIT seminar hall.

This event kick started by welcoming the Director sir Col. Dr. Rajnit Singh, who addressed the audience and enlightened the audience with his views on partition and the pain of people affected by it.

Movie Pinjar based on a Punjabi novel “Pinjar” by Amrita Pritam was showcased to bring light to the pain, agony and sufferings of millions of people who were the sufferers of partition.

This movie beautifully depicts the problems faced by people during the partition of India. Reminding everyone of the largest displacement of the human population in the last century.

# PLANTATION DRIVE

13 August, 2022

NSS MSIT organized a Plantation Drive to create awareness regarding climate change and its adverse effects on us. The faculty also joined along with the students for this great initiative. This event took place in the MSIT canteen's grounds at 11:00 A.M.

This event began with the welcome of our director, Mr. Ranjit Singh, as well as Ms. Savita Ahlawat and many other faculty teachers. The director sir at first shared a few words of motivation with everyone present.

The creativity team also made some banners and posters emphasizing the value of tree plantations. The students brought a variety of saplings for this drive. The

first sapling was planted in the garden by the director sir. The teachers then moved on to plant other saplings. And finally, the students planted all the remaining saplings. More than ten saplings were planted in the college's ground.

# FOOD DONATION DRIVE

7 September, 2022

NSS MSIT organized its annual Food Donation Drive on 07th September 2022 on the occasion of nutrition week. In India, nutrition week is observed from September 1 to September 7, to spread awareness about nutrition and the importance of healthy eating habits for overall public health. The Food Drive began at 1 pm when volunteers gathered in order to donate food items.

Students were requested to bring nutritious food and the drive focussed on and around the area of Tilak Nagar. Students brought fresh and nutritional food items for donation and were split up into groups of 5 to distribute the collected items and also raise awareness regarding malnourishment and nutrition. Volunteers raised awareness among the general public about balanced diets and nutrition through encouraging discussions and colorful and attractive posters. The food items included fresh fruits, bread slices and hampers of rice, and delicious

homemade dishes. Many of the people receiving the collected items, remembered the food donation drives held earlier. People were educated about nutrition week and good eating habits; being encouraged to have a balanced diet and to further spread this awareness. Volunteers received encouragement from passersby and covered a large area in order to make the drive as effective as possible.

The drive was a success with all volunteers involved receiving blessings and well wishes from individuals who received the donations. The drive served as an encouraging opportunity to make the successive drives even more fruitful and extensive. The volunteers from Prakriti MSIT, NSS MSIT, and UBA MSIT are proud to have hosted this event and look forward to conducting more such drives in the future.

# Orphanage and Old age home visit

24 December 2022

The students of NSS MSIT along with octave musical society visited an Orphanage and Old age home, Human care international (Prem Dham) on 24th of December. Our volunteers spent some quality time with the children and elders by conducting fun activities from musical chairs to tambola. Volunteers distributed chocolates and refreshments followed by cake distribution. The memories will be cherished for a lifetime !

# ADIOS'22

28 December 2022

2022 was an unpredictable year with many surprises. So why give it a boring goodbye? Yes, you heard it right!!! WE ARE BACK WITH ADIOS!!!! Let's welcome 2023 and say goodbye to 2022. NSS MSIT got you covered to bid a warm farewell to the year 2022 filled with beautiful memories and welcome a new chapter of your life with open arms and hopes and aspirations for 2023.

We happily invite you to join us for Adios'22. Let's end this year with utmost joy and positivity.

**Adios** featured : -

- **Guns and Roses** : - A celebration for all the lovers in our campus, where you can test your compatibility as a couple
- **Squid Games** : - An event including a collection of games from the series, exactly like you saw on Netflix.
- **Sportizilla** :- “Run, run and run..... the more your body cries out as a sweat, more physically and mentally fit you are.”
- **Quizohilic** :- Until one stops asking questions, no one ever turns into a fool. So go ahead and be prepared for the adventure, fuel your brain, and exhibit your knowledge. Given that this is more than simply a test; rather, it is a learning experience that one seeks.

# CLOTH DONATION DRIVE

5 December 2022 to 10 January 2023

On 10th January, 2023 NSS MSIT organized a Cloth Donation Drive.

Believe it or not, donating clothes not only helps bring a smile to someone needy but it's actually great for the environment. The drive was conducted from 5th December, 2022 to 10th January, 2023. By the end, large numbers of clothes were collected at the college campus due to the overwhelming response from the students.

The donation drive lasted for about 2 hours, ended around 2:15 P.M. and it was a tiring yet wholesome experience for everyone there. It was ensured that every needy present there was given some clothing item to fight this immense winter.

One small instance happened when a little kid came personally to one of our team members and said thank you in his cute voice. Emotional moments like these just make it a better day to contribute more in such a social work. The team took a snapshot to add this beautiful day to the diary of happy days. The team also had a little chat with some kids and adults present over there. The old age group present there were expressing their happiness by giving blessings to the team members. The kids and adults too were content and everyone had a smile on their faces. At last, everybody said bye to the people present there and it was indeed a day well spent.

# ANIMAL CARE CENTRE VISIT

15 March 2023

On March 15, 2023, NSS MSIT conducted a visit to Sanjay Gandhi Animal Care Center. Volunteers actively engaged in hands-on activities, including animal care and facility maintenance. Educational sessions on responsible pet ownership were conducted, and a donation drive garnered support from the college community. The visit had a positive impact on both volunteers and the center, fostering a sense of responsibility and community support for animal welfare.

# EMPOW-HER

24 March 2023

"Success of every woman should be an inspiration for another" this inspirational quote by Serena Williams has motivated countless women to achieve wonders. Motivated by this idea on Friday **March 24** Prakriti MSI-T organised **EMPOW-HER**, it's one and only sports event for women. The event was organised under the guidelines of AICTE on the occasion of International Women's day with the principal motive of empowering the athleticism in college girls and to promote the women's version of sports in our society. By providing a platform for women to connect and learn from each other, these events empower women to take on leadership roles and make positive changes in their lives and communities. The advent included games like kho-kho, badminton, arm wrestling and dodgeball.

## EMPOW(H)ER 2023

The event took place on the campus ground itself. It commenced by 10 am with overwhelming contentment.

Badminton was the first sport that the event convulsed with, the matches were invigorating and the competitive spirit amongst the participants really had put up an amazing feat to view upon. Finally, the tournament came to an end with XXXX declared as the victor.

Up Next was the **Arm Wrestling** competition where all our fierce warriors put an entertaining match.

There were two people who really stood out in this competition as they both were able to easily overpower other participants with their brute force. Their names were XXXX XXXXX and XXXXX XXXXX but since only one can be announced as the winner in this competition, XXXXX XXXX emerged victorious after careful evaluation.

The Arm Wrestling competition was followed by **Kho-Kho**. It was really enticing to watch the participants take active participation in our native game. The game began with hooting and cheering by the audience. After a tough match up, XXXXX XXXXX emerged victorious.

The last but definitely not the least was **Dodgeball**, it was the most awaited and convivial sport which was included in this event. The game brought out the true essence of athleticism as it was a test of agility and perspicacity. It was really mesmerizing to watch such a cutthroat competition between the peers.

The EMPOWHER event finally concluded with all the winners being awarded cash prizes. Everybody had a great time. The female participants were satisfied with the management and outcome of the

# ANNUAL SPORTS DAY

17-18 APRIL 2023

On 17-18 th April, NSS MSIT and NSS MSI of Maharaja Surajmal Group of Institutions organized their Annual Sports Day .The event was organized to celebrate not just the athletic prowess of our competitors, but also the spirit of teamwork, sportsmanship that is at the heart of all sports. It is not only about winning or losing but about coming together as a community to cheer on our athletes and share in the joy of competition. The event commenced at 9 Am in the college ground with the lightning of torch followed by March past of students from all the branches and courses. It was indeed a pleasure to the eyes. The event was well organized, with sufficient equipment and personnel to ensure a smooth running of activities.

The competition was fierce and the participants displayed a high level of skill and determination. Participants were filled with dedication and participated enthusiastically in the 100m Race and 200m Race. The relay races were particularly intense, with the athletes showing excellent teamwork and coordination. The shot put, standing broad jump and javelin throw sports were entertaining as well with the players displaying impressive skills and athleticism. The Discus Throw was equally exciting, with the participants displaying precision and agility. On the second day of the event, the students were equally pumped up as we had the finals for the respective races and the event concluded with the most exciting Tug Of War where the teams from different branches displayed exemplary sportsmanship .

The event concluded with distribution of refreshments and prizes for the winners. The event promoted the importance of sports in everyone's lives ,encouraging students to adopt a healthy lifestyle. The event was well organized , the participants as well as the spectators had a great time. The event not only provided a platform to students to showcase their sport skills, but also provided an opportunity to learn about health and fitness. NSS MSIT and NSS MSI look forward to organizing more such events in future to promote students' participation in sports and healthy living.

# ENVA

19-20 APRIL 2023

PRAKRITI MSIT in collaboration with NSS MSIT on the occasion of ENVA 23 - the annual Cultural Fest MSIT organized many events in collaboration with different societies

## GUNS & ROSES

PRAKRITI MSIT in collaboration with NSS MSIT on the occasion of ENVA'23 - the annual Cultural Fest MSIT organized Guns and Roses, a game for couples on April 18th and 19th, 2023. One of the most anticipated, rousing, and enticing games in ENVA'23. Everyone waited for this game eagerly.

The couple's game event was held over the course of two days and was designed to test the compatibility of the participating couples. The event involved numerous small tasks to challenge the couples' compatibility and partnership abilities. The event commenced at 11 am on the college ground and the event was well organized. The students responded well to the event and actively participated in it.

The game was divided into four portions. Flip cup, as in this one of the partners was supposed to drink the water and the other was supposed to flip the cup right to proceed further in the game.

- Flip

The second task was a balloon race, in which couples were asked to blow a balloon and attach it to themselves and make it to the ending line without the balloon getting detached from their bodies.

- Balloon race

The third task was to sort the card, in this, the pairs were asked to sort a particular set of cards from the deck.

- Sort the card

Fourth and the last one was a three-legged race, in which one leg of both the partners was tied together, and they were asked to complete the race.

- Three-legged race

The pair who completed the game in the least time was announced the winner and were awarded a cash prize. The event was a success and was excellently planned, both partakers and spectators had a wonderful time.

## ROOHANIYAT 23

Prakriti MSIT in collaboration with NSS MSIT, Tark MSI(litsoc) and Cerebrate MSIT(debsoc) on the occasion of ENVA'23 - the annual Cultural fest MSIT organized ROOHANIYAT 23, a bilingual slam poetry competition on Wednesday 19 of april, 2023. Approximately 30 participants showed up and presented their pieces.

At first a brief orientation about the event was given to the participants by the event hosts, Saksham Jain and Mehak Lawania where they introduced the esteemed judges of the tournament - Anubhav Seth, Janvi Pahuja and Naman Kumar Bahri. After honoring the judges and some mild banter, some general instructions about the performances were given after which, the event had officially commenced.

The event had various participants presenting their beautifully written pieces one by one, with the hosts using creative methods to call the participants on the stage. Several beautiful pieces were presented throughout the event, while some participants opted to present their pieces written in english, majority of the participants presented their pieces written in hindi.

After all the participants were finished reciting their respective pieces, the judges were asked to decide on their verdict for which they had to leave the room to discuss it within themselves. During this small interval of time, the stage was open to the audience, the organizing committee and the participants to present their own creative arts and this interval soon came to an end when the judges had come back to the room to give their much awaited verdict.

The judges started announcing the results by first announcing the second runner up - Aayush Goel, whose piece was named 'धंधे वाली' and he was awarded with a gift hamper worth 500 rupees by the event sponsor everything.uncommon.

The judges declared their runner up to be Anksh, who enamored the hearts of the audience in the most charming way with his piece 'प्यार कर ' for which he

was awarded with a cash prize of 500 rupees alongside a gift hamper worth 500 rupees as well.

Lastly, Anupriya Sharma was declared as the winner of roohaniyat'23 as she beautifully performed her piece growth and charmed the audience and the judges alike. For her performance, she was awarded with a cash prize of 1000 rupees and a gift hamper worth 500 rupees too.

After the results were declared, the event had officially concluded and then all the participants were later on invited for a group photograph.

## FRAGZONE

REKTT, in collaboration with PRAKRITI MSIT, on the occasion of ENVA'23 - the annual Cultural fest MSIT organized a two-day gaming event titled FRAGZONE, featuring games like CSGO and FIFA. The event was held on the 19th and 20th of April 2023 and was a huge success.

Gaming enthusiasts gathered to showcase their skills and compete in thrilling matches. The event was a perfect blend of excitement and fun; participants were engaged with non-stop action throughout the two days. With its focus on community and gaming, Fragzone was an excellent platform for gamers to connect and showcase their skills. From 10:30 am to 4 pm, these events were conducted at MSIT lab [106 A&B].

### CS: GO

The team REKTT arranged 6 laptops for the players and the server for the event. With RGB lights and speakers.

Over 10 teams were registered which went through a knockout stage on 19<sup>th</sup> April 2023.

On 20<sup>th</sup> April 2023, 5 teams played semifinals and on the same day, the finals were held.

The name of the winning teams are as follows:-

1<sup>ST</sup> position

Team name (G4homies)-

- Mohak Singh (+91 7982873508)
- Bhavyam Verma (+91 9610888856)
- Runners-up

Team name(Sussy Baka)-

- Aniket (+91 7303573527)

- Atur (+91 9560668237)

## **FIFA**

REKTT arranged PS-4 for the event along with RGB lights and speakers. Over 30 teams registered which went through the knockout stage on 19<sup>th</sup> April 2023.

On 20<sup>th</sup> April 2023 5 teams were qualified to play semifinals and the finals were held on the same day.

The name of the winning teams are as followed:-

1<sup>st</sup> position

- Akarsh (+91 83758 15989)

2<sup>nd</sup> position

- Shashwat (+91 98114

11260) 3<sup>rd</sup> position

- Dev Sangwan (+91 96250 06538)

## **ADHYAY 23**

Prakriti MSIT in collaboration with NSS MSIT and AARAMBH -THE DRAMATIC SOCIETY OF MSIT on the occasion of ENVA'23 -the annual Cultural fest MSIT organized a stage play competition

"ADHYAY" on 20th April, 2023 in the college premises.

The teams were required to register for the event with a 10 minute video of their play and through that 5 teams were selected for the main competition.

The registrations came from various colleges from all over Delhi with their mighty performances and in the end these 5 teams were selected:-

1. Yakshagna - The Dramatic Society of ADGITM
2. Ashwamedh - The Dramatic Society of NSUT
3. Astitva - The Dramatic Society of DSC(M)
4. Rangayan - The Dramatic Society of ARSD

## 5. Anubhuti - The Dramatic Society of JDMC

The event started at about 11AM with the arrival of our chief guests Nakshatra Sachdeva, Ankit Luthra and Harshit Sharma as our judges and our Guest of Honors former presidents Janeshtha Wahi and Rajat Pundir.

The day was then cherished by the wonderful and energetic performances by all the teams.

After a rigorous and tough competition the two standout teams were declared:

1st position was secured by **Team Anubhuti**

2nd position was secured by **Team Ashwamedh**

These teams were given the title of best performances.

Megha from Team Anubhuti and Yashvi Jain from Team Ashwamedh were given the title of best performers.

And by presenting Mementos to our Judges and Guest of Honors the event was successfully concluded.

## MINUTE TO WIN IT

PRAKRITI MSIT in collaboration with NSS MSIT on the occasion of ENVA'23 - the annual Cultural Fest MSIT organized Minute to win it, a pair game on April 19th and 20th, 2023. One of the most anticipated, rousing, and enticing games in ENVA'23. Everyone I've been waiting for this game.

It was designed to test the compatibility of the pair in the game about how well they carry each other in a game with the race against the clock. The event commenced at 11 am on the college ground and the event was well organized. The students responded well to the event and actively participated in it. The game was divided into 3 rounds.

1st round being the hurdle race under which the adjacent leg of the was tied together and they had to cross a certain pathway full of hurdles under a minute while competing against 3 teams. The first 2 teams who completed the race Faster were proceed to the next round the 2nd round was the heads up- it includes both partners standing facing each other at a distance, one of the partner had to held a flashcard over their head and the other one had to enact the word written on the flashcard. The team who guessed the most words under a minute was proceeded to the last round

The final round being the cookie game, here it turned into an individual game where the cookie was placed onto the forehead of both the players and they had to eat that Cookie without using their hand. The player who was able to eat the cookie in under a minute won that round. Then here comes the catch the last and final round of the game was scheduled on the second day that is 20<sup>th</sup> April, if a person has won all the rounds on the first day they had to come and won the last round for the prize There was a cash prize for the winner of Rs 2k

The Last round was chopstick stack up under which the player had to transfer the gems from one plate to another with the help of chopsticks. The person who was able to transfer maximum gems into the other plate won the game. The event was a success and was excellently planned, both partakers and spectators had a wonderful time.

## **TREASURE HUNT**

An exhilarating and adrenaline-fueled experience was witnessed by the teams, who set their hearts out, filled with hope and doubt, solving riddles and making their way through the middle.

The 2-day event of treasure hunt consisted of 4 sets of 5 locations, with different clues, and fun challenges at every new location. The participating teams had to prove their mettle by solving the riddles in the given time frame, locating the area, coordinating with fellow teammates, and also, performing the challenges, so as to obtain the next clue.

The top 10 teams who qualified round 1, were selected for round 2 on the succeeding day, which again had fun challenges, within a time limit.

The event seized massive participation, and all in all, it was a great success.

## SENATUS

On 20<sup>th</sup> April, **Prakriti MSI-T** in collaboration with **Cerebrate MSIT** and **Tark** organized Senatus, a conventional debating tournament for students from various colleges as well as from within the college. There was participation of approximately sixteen to seventeen teams i.e., thirty-two to thirty-five individuals who gave speeches throughout the competition.

The event was started by the hosts, Anubhav Seth and Nishtha Tiwari giving a brief introduction about the tournament, explaining the motions to be debated, and a kind request to abide by the rules. Then they proceeded to give the esteemed judges – Annanya Mohanty, Ishita Singhal, and Kanishka Majumdar, a warm welcome and presented them with hampers as a token of thanks. After which, the event officially commenced.

The speakers were either speaking FOR or AGAINST the motion. Some participants participated as a team and we got to witness some beautiful synergies and if there were solo participations, they were teamed up by our tabs keeper, Tanmay Narang.

The audience witnessed a lot of interesting speeches from different perspectives and a lot of mind-opening ideas were shared with the panel. The audience witnessed some of the best speakers in the debating circuit presenting their views

on the motion. There were tons of brilliant interjections from the participants and the judges as well which the speakers answered wonderfully.

Once the participants were done with all the speeches and their respective interjections, judges proceeded to leave the room for deliberations on the speeches and to give their verdicts for the winners and the runner-up's. While the judges were discussing the results, the hosts engaged the room in fun activities by welcoming the participants and the audience to present their talent through a karaoke session. The stage was open to all and they were showing their flair by singing different songs and everyone was having fun.

Soon after, the judges came back to announce the results and they started by thanking everyone for their speeches and appreciating the enthusiasm and engagement throughout the event. The prize for best FOR speaker was given to

Robin Ahuja and the prize for winner of best AGAINST speaker was given to Abhishek.

The best interjector prize was awarded to Rachit. The prize for the team with the best synergy was given to Gaurika and Aasnees Kaur Sabharwal. The position holders were awarded hampers containing stationery items.

Once the judges and the hosts were done with the results, everyone was invited to the stage for a group photograph, and with that the tournament had reached its conclusion.

# PLANTATION DRIVE

24 July, 2023

NSS MSIT in collaboration with the Eco club MSI organized a Plantation Drive as regular practice in order to spread awareness about the environmental issues existing due to deforestation and its adverse effects on us.

The event began with the welcoming of Shri Kaptan Singh, the president of SMES who was further joined by other respected members of SMES alongside the directors of both MSI and MSIT with several other members of the staff.

To make sure the drive lived upto the theme, “EACH ONE, PLANT ONE” a total of 50 saplings were utilized and the planters were brought from a government nursery in order to support the good cause. And after by Kaptan sir, rest of the members followed his guidance to plant the rest of the saplings in the open ground in front of the college auditorium as well as the main ground, with their names mentioned against every sapling present.

All these efforts were pooled in by every student, staff members, directors and SMES members present to make sure that issues like climate change and ideas like planting trees to facilitate much more oxygen flow and reduction of CO<sub>2</sub> in the environment.

# Blood Donation Camp

25 September 2023

On the occasion of NSS Day, Prakriti MSIT in collaboration with NSS MSIT, UBA MSIT and NSS MSI organized their annual blood donation camp on Monday 25th of September, 2023 where a total of 220 people participated and donated their blood.

The event had two blood banks come over, one of them being Rotary Club of Janakpuri while the other being the Pitampura blood bank who assisted the blood donors and collected their blood for the use of other people in the future.

The registrations were done in front of the auditorium, where volunteers from both NSS MSI and Prakriti MSIT were assisting people and administering the name of every volunteer who wanted to donate their blood.

The blood donation was being done in the auditorium as well as in the blood donation van in front of the auditorium and participants had the agency to opt into donating blood in either of the locations which helped the event see a collection of 220 blood bags.

And as a token of gratitude, all the participants were provided with refreshments and a memento to celebrate their achievement of donating blood.

# Herbal Garden Inception

September

In the last week of September, our college with the help of Eco Club MSIT in association with Prakriti, UBA and NSS MSIT took a significant step towards environmental sustainability by establishing a Herbal Garden on Campus. This initiative coincided with Green Consumer Day, emphasizing our commitment to creating a greener and more sustainable future.

The primary purpose of this Garden is to promote the cultivation of medicinal plants and raise awareness about the importance of herbal remedies. We aim to provide a nurturing environment for the cultivation of various medicinal plants, promoting the sustainable use of these resources.

The creation of the Herbal Garden was made possible with the help of Ms. Mamta Ma'am and Ms. Savita Ma'am. They led and watched over the project to make sure everything went smoothly.

Students understood their role and took the responsibilities of specific plants. They demonstrated a strong commitment to environmental responsibility by utilizing metallic nameplates instead of disposable plastic nameplates. The creative team, an essential part of the project, helped in the creation of nameplates and craft-related work for the Garden.

## Herbal Plants, we planted are:

### DARWIN PEA

Peas are a good source of vitamins, including vitamin C and vitamin K, as well as minerals like manganese, folate, and dietary fiber. The fiber content in peas can aid in maintaining heart health by helping to lower cholesterol levels.

## **INSULIN**

The insulin plant is a medicinal plant that is believed to have properties that can help lower blood sugar levels. Some people use the leaves of the Insulin Plant in traditional medicine for managing diabetes.

## **PERIWINKLE**

The plant contains alkaloids vincristine and vinblastine, which are used in the treatment of various cancers, particularly leukemia and lymphoma.

## **HIBISCUS**

Hibiscus tea is thought to have antihypertensive properties and may help lower blood pressure. Hibiscus tea may have mild diuretic properties and can promote healthy digestion.

## **NEEM**

Neem twigs are traditionally used for oral hygiene as they have antibacterial properties that may help prevent gum disease and maintain oral health.

## **LEMON GRASS**

The aroma of lemongrass is used in aromatherapy to promote relaxation and reduce stress and anxiety. It is often used as an herbal remedy to support the immune system and may aid in fighting off common colds and infections.

## **CURRY LEAVES**

Curry leaves are included in weight loss diets due to their potential to help reduce appetite and control weight gain. These leaves contain carotenoids that can support eye health and prevent conditions like cataracts and macular degeneration.

## **CAROM SEEDS**

In traditional medicine, carom seeds are used to manage respiratory issues such as asthma, bronchitis, and coughs due to their potential to alleviate congestion and improve airflow.

## **LEMON**

Lemons are well-known for their high vitamin C content, which supports the immune system, aids in collagen production for healthy skin, and has antioxidant properties.

## **BASIL**

The aroma of basil essential oil is thought to have calming and stress-reducing effects. Basil is rich in antioxidants, which can help protect cells from oxidative damage.

## **INDIAN GINSENG**

Some people use Indian Ginseng to improve the quality of their sleep and combat insomnia. Indian Ginseng is believed to improve memory and cognitive function.

## **NIGHT JASMINE**

The calming aroma of night jasmine is thought to help with sleep. Some people place night jasmine flowers in their bedroom to improve sleep quality.

## **ALEOVERA**

Aloevera promotes the healing of minor wounds and cuts. Its antimicrobial properties can help prevent infections, and it may stimulate the production of collagen, which is essential for wound healing.

# CODE4CAUSE HACKATHON

5 October, 2023 - 6 October, 2023

NSS MSIT along with Geek Room organized a Hybrid **CODE4CAUSE Hackathon** on 5th October 2023 and 6th October 2023 with the primary objective of fostering innovative solutions and driving positive change in various fields, including healthcare, education, environment, agriculture, and other social causes, all through a technical lens.

"CODE4CAUSE" received an overwhelming response, with over 1900 students from all corners of India registering for the event. Out of these, more than 700 students participated in person, turning this hackathon into a significant gathering of tech enthusiasts and problem solvers.

The event attracted students from a wide range of esteemed colleges across India. Notable participants included students from:

- Malaviya National Institute of Technology (MNIT)

- Delhi Technological University (DTU)
- Indira Gandhi Delhi Technical University for Women (IGDTUW)
- Various Delhi University (DU) colleges
- Netaji Subhas University of Technology (NSUT)
- Lovely Professional University (LPU)
- SRM Institute of Science and Technology (SRM)
- Ajay Kumar Garg Engineering College (AKG)
- University School of Information, Communication, and Technology (USICT)
- University School of Architecture and Planning (USAR)
- Affiliated colleges of Guru Gobind Singh Indraprastha University (GGSIPU)
- And many more

The active involvement of students from such diverse institutions added significant value to the event and highlighted the broad appeal of "CODE4CAUSE."

### **EVENT HIGHLIGHTS:**

#### **Thematic Focus**

The hackathon addressed critical issues in the fields of healthcare, education, environment, agriculture, and other social causes. This thematic diversity encouraged participants to think creatively and develop innovative solutions to tackle pressing societal challenges.

## **Collaboration**

Collaboration was a key feature of "CODE4CAUSE." Participants formed diverse teams, bringing together individuals with different backgrounds and skills to brainstorm, design, and develop solutions.

## **Mentorship**

The event featured experienced mentors from academia and industry who provided guidance and expertise to the participating teams, helping them refine their ideas and projects.

## **Seminars**

"CODE4CAUSE" also included a series of seminars on emerging technologies, design thinking, and social entrepreneurship. These sessions equipped participants with the knowledge and tools necessary to address complex challenges.

## **Jury and Evaluation**

A panel of expert judges evaluated the projects and selected winners based on criteria such as innovation, feasibility, impact, and presentation. The competition was fierce, with numerous impressive projects making it a challenging task for the judges.

## **EVENT PROCEEDINGS:**

- Participants commenced their arrival at the college at 8 am, where they were thoughtfully grouped into batches and directed to their respective destinations – the Auditorium and Seminar Hall 06 and 406.

- The event kicked off at 10 am with a ceremonial lamp lighting in the Auditorium, graced by the presence of Shri Kaptan Singh ji, President of SMES, who not only ignited the lamp but also extended a warm and heartfelt welcome to all the participants gathered in our college.

- Following the inaugural session, participants were provided with essential insights into the rules and regulations of the Hackathon, as well as an introduction to the exciting themes they would be exploring. To further enrich the experience, we had the privilege of hosting distinguished speakers from Zura Verse, Quine, and BobbleAI, who delivered captivating presentations on the latest in technology, complemented by engaging and interactive seminars.

- Following a productive morning, students were treated to a hearty lunch and a well-deserved break at 2:30 pm. After recharging their energy, teams had the flexibility to choose between working offline or online for the next phase of the event. Those eager

to continue their projects offline, remained on-site, with dedicated spaces allocated on the 4th and 6th floors, where they began their creative work.

- At 6 pm, a mentoring session, led by seasoned mentors, offered essential guidance and support to the participating teams. This session paved the way for the selection of teams that would advance to the second day. With the conclusion of this enlightening and productive day, we wrapped up our first day's activities by 8 pm.

- On the second day, a total of 35 shortlisted teams gathered and actively participated. Each team delivered captivating presentations that were meticulously evaluated by our panel of judges. Following an intense day of deliberation and stiff competition, the moment we had all been waiting for arrived, as the winners were finally unveiled.

### **WINNERS AND PRIZES:**

After a rigorous evaluation process, the following teams were declared the winners of "CODE4CAUSE":

- **WINNER: Team Lakshya** - Immersive lab with interactive 3D models in VR
- **RUNNER UP: Team Smart Sampann** - MSIT Connect - one stop solution by which a college student can access everything related to their college

The winning team received a cash prize of Rs. 10,000 and the Runner Ups received exclusive swags and certificates.

## **CONCLUSION:**

"CODE4CAUSE" was a resounding success, bringing together passionate students from diverse educational backgrounds to address pressing societal issues. The event not only showcased the technical prowess of young innovators but also underlined the importance of collaboration and innovation in finding solutions to the challenges our society faces. We are grateful for the support and participation of all students, mentors, and partners in making "CODE4CAUSE" a memorable and impactful event.

We look forward to future editions of this hackathon, with the hope that it will continue to be a catalyst for positive change in our society.

# Food Donation Drive

16 October 2023

On the 16th of October, 2023, UBA MSIT, NSS MSIT, and Prakriti MSIT joined hands to organize a Food Donation Drive, extending immediate food assistance to those in need within the college vicinity. This heartfelt initiative was taken to mark World Food Day, a global event that underscores the significance of addressing hunger and food security.

Members of our society came together to contribute to the food donation drive, generously providing a variety of essential food items. The donated items included biscuits, Frooti, packets of dal, rice, milk, and more. At 2:30 P.M., our dedicated team gathered around the Tihar slum areas and the Tilak Nagar metro station, ensuring that assistance reached those who needed it the most.

Our collective effort had a profound impact on the lives of numerous individuals in the vicinity of our college. With unwavering enthusiasm, the students brought forth an assortment of food items for this drive.

To further amplify our message and the spirit of giving, our creative team designed eye-catching banners and posters, emphasizing the value of food donation in our community.

# Cloth Donation Drive

19 October 2023

The Cloth Donation Drive was organized by Prakriti MSIT, along with NSS MSIT and UBA MSIT, at ( name of the place ) on 19th October, 2023. Each and every individual participated enthusiastically during the drive. The drive started at 12:30 P.M. The drive served in promoting a sense of community and social responsibility, and raising awareness about the importance of recycling clothing.

Donors generously contributed used clothing items, including clothing for all ages, in good condition. Collection was open for a specified period to gather donations. Volunteers sorted and categorized the donated clothing into different sizes and types. An

inventory was maintained to ensure efficient distribution. Clothing items were distributed while ensuring a fair and respectful process, from infants to aged people.

A reasonable number of individuals and families received clothing assistance, helping them address their immediate needs. The event witnessed numerous volunteers contributing their time and effort to the cause. Awareness about the importance of clothing donation and recycling was raised within the community.

The Cloth Donation Drive was a successful community initiative that brought people together to support those in need. It not only provided clothing assistance to individuals and families but also promoted a sense of social responsibility and community spirit. The event's positive impact highlights the importance of continued efforts to help those less fortunate in our community.

# Cracker Awareness Rally

10 November 2023

On 10<sup>th</sup> November NSS MSIT organized an inviting Cracker Awareness Rally on the college campus ahead of the festival to foster environmental consciousness and a safer Diwali celebration. The initiative sought to educate and inspire students and staff to make sound moral choices during the festive period and help mitigate the adverse environmental impact of Diwali celebrations.

The event started with an inaugural ceremony, where faculty members and students gathered to support the cause. Followed by which a colourful and vibrant march began, students carried placards and banners conveying messages about the environmental consequences of using firecrackers. The rally moved through different sections of the campus, attracting the attention of students, faculty, and staff. Creative slogans supporting a green and safe Diwali vibrated through the entire campus.

The Cracker Awareness Rally proved to be a highly successful initiative in promoting environmental responsibility among the students. The event not only educated people about the harmful effects of firecrackers but also inspired them to adopt more eco-friendly practices like reusable diyas, green crackers, etc during festive celebrations. By fostering awareness and a sense of responsibility, we aimed to contribute to a cleaner and greener Diwali celebration for the entire community.

# Ethnic Day

10 November 2023

The Ethnic Day event held at MSIT by NSS MSIT along with Prakriti MSIT was a spectacular celebration held on the 10th November, starting at 10:00 AM and culminating around 4:00 PM. The entire campus was buzzing with an array of activities, stalls, and performances, creating an atmosphere brimming with enthusiasm and cultural richness.

As the event commenced, students and visitors were greeted by an assortment of stalls offering a delightful variety of experiences. The food stalls presented tantalizing dishes from diverse cuisines, tempting everyone's taste buds with flavors from across the country. The jewelry stalls displayed exquisite ornaments, attracting fashion enthusiasts and those seeking unique accessories. Additionally, game stalls provided an avenue for friendly competitions, while food challenge stalls dared participants to venture into adventurous taste trials, igniting a sense of excitement among attendees.

The heart of the celebration was the captivating performances by the college's dramatic, dance, and music societies—Aarambh, Octave, Unity, and Sifar. These talented groups showcased the cultural diversity through their mesmerizing acts, leaving the audience spellbound. The dramatic society skillfully portrayed different cultural narratives, while the dance society enraptured everyone with their synchronized moves, and the music societies filled the air with melodious tunes that resonated with the essence of various traditions.

The event reached a crescendo with the arrival of Karan Kaushik who graced the stage, mesmerizing the crowd with his soulful voice and engaging performances. The atmosphere became electric as the singer's melodies intertwined with the cheers and applause of the audience. Subsequently, a lively DJ set the stage for an energetic dance session, where students reveled in the beats, showcasing their best dance moves and enjoying the collective celebration.

Throughout the day, the amalgamation of different cultural elements fostered an environment of unity and appreciation. As the event drew to a close around 4:00 PM, it left behind a trail of cherished memories, laughter, and a renewed sense of cultural appreciation among everyone present. The event was a hit which made everyone leave the campus with a wide smile on their faces.
