Sign Language Workshop

Date: September 23, 2022

Time: 6:00 pm

Venue: Google Meet

On 23rd September 2022, UBA MSIT conducted a workshop on the occasion of 'International Day of Sign Languages'. This workshop was conducted for the members of UBA and was organized to help teach them about the basics of sign language.

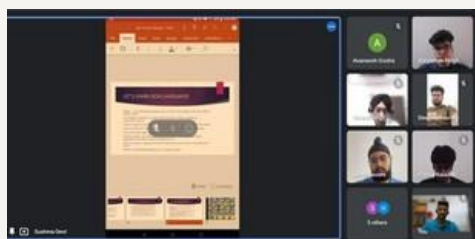

The event was conducted under the guidance of Mrs. Sushma Devi, PGT DOE Delhi. She is a Special Education Teacher, currently teaching at Government Sarvodaya Vidyalaya, Sector-6 Rohini.

The session began with a cordial welcome of Ma'am Sushma by the UBA team. She began by telling the students about the need for and importance of sign language. The difference between hearing impairment and hard of hearing was explained. Emphasis was put on the fact that many hearing problems can be cured if treatment is provided at the right time.

A beautiful quote to express the maladies of the deaf was used, "Deaf people want their voices to be heard as they are discriminated and ignored most of the time by policy makers. We want to be treated with equality, respect and dignity not to be isolated by the society. Laws made for our protection and welfare need to be implemented effectively and we should be made a part of the mainstream." Jaysing Kale, Hon. Secretary, SLAD.

The session then moved on to learning about ISL (Indian Sign Language), wherein students learned about the various gestures used for making a sign. All the alphabets were taught to the students, along with some common words and signs to express emotions like thank you, sorry, pain, etc.

Before concluding, Ma'am Sushma informed the participants about 'Ali Yavar Jung National Institute of Speech & Hearing Disabilities (AYJNISHD)' which aims to conduct, sponsor, coordinate or subsidize research into all aspects of education and rehabilitation of persons with hearing impairment.

Knock Out: The Conventional Debate Competition

Date: December 21, 2022

Time: 7:00 pm

Venue: Google Meet

Agenda: The event was conducted under Ek Bharat Shreshth Bharat (EBSB) scheme in a collaborative effort between the Centre for computer and communication technology, South Sikkim (CCCT) and Maharaja Surajmal Institute of Technology, Janakpuri (MSIT) to promote a cultural temperament among the students and to foster a sense of community along with a desire to improve their communication skills.

The motion for the competition was shared with the participants a day beforehand to leave them with enough time to prepare their speeches. General instructions along with the queue of participants were also shared beforehand.

The competition commenced at 7 pm on 21st December 2022 with an introduction of the panel of judges by the hosts, followed by the participants being called on to present their side of the house to the esteemed panel. Sound arguments were brought forth from the opposing sides with the participants being allowed to ask questions to their competitors after the 2-minute mark was up to encourage engagement and to prevent the discussion from remaining stagnant.

The event was a success with the participants carrying away essential insights from the competition.

Orphanage & Old Age Home Visit

Date: December 22, 2022

Time: 12:00 pm

Venue: Prem Dham Ashram

The students of UBA cell MSIT in collaboration with Prakriti MSIT organized a visit to Prem Dham Ashram, on 23rd December 2022, an orphanage and old age home based in Najafgarh, Delhi. A series of games and events were organized for both the kids and the elderly present there.

The event started off with an amazing performance by Octave, the Music Society of MSIT, which was led by chocolate distribution by our very own Santa Claus to bring a joyful smile to the kids' faces.

Next was the classic game of musical chairs organized for the kids where everyone enjoyed melodious tunes along with the game played by the children. The winners of the event were gifted food items and chocolates as well.

A fun series of events led to the continuation of the day in the grounds of the Ashram. The students there played Kho-Kho while the elderly cherished a game of Tambola with our volunteers.

The golden agers continued with a game of Antakshari to conclude the event along with beautiful group photos, involving all the organizers and volunteers along with the kids and the elderly.

Cloth Donation Drive

Date: January 10, 2023

Time: 2:00 pm

Venue: Dabri Gaon

On 10th January 2023, The students of UBA Cell MSIT in collaboration with Prakriti MSIT organized a Clothes Donation Drive for the desolate winter in Delhi.

The students donated clothes in a nearby village, Dabri Gaon situated in Janakpuri, New Delhi. A large number of families inhabit such areas and have to go through chilly winters without proper clothes and blankets.

Thus, the students took upon them to provide a sheath of protection in the form of shirts, t-shirts, sweaters, jackets, socks, blankets, etc. and helped those in need. More than 450 clothes were donated by the students, in return getting beautiful smiles. The event concluded with a success and assurance that every person was provided with the necessary clothes and they were prepared for the upcoming weather in the city.

Student Interaction Session

Date: December 12, 2022
Time: 2:00 pm
Venue: MSIT, Seminar Hall

On 12th December 2022, UBA MSIT conducted its orientation for all the fresher students, to inform them about the society, how it functions, what kind of work is done and how to apply for it.

The event was conducted in Seminar Hall 406 MSIT and was scheduled at 12:30 pm. Students from various branches of the college and belonging to first and second year reached the seminar hall to attend the session.

The session began with a cordial welcome of all the students by the UBA team. Then they moved on to the introduction of the society and the speakers of the event Aaryaman, Vikram and Aryan. They started by talking about what UBA stands for and then moved on to discuss the agendas for the day.

An animated video featuring Sara, our mascot, created by our editing team, was played to further explain. This was followed by an ice breaker session, where the UBA team asked some interesting questions for students to ponder upon.

Then, the explanation on UBA's field of act was done, which included the five villages, and the various departments of the society were also discussed. The whole workflow of the society was also expressed using a flow chart. Thereafter a video was played which showed the visuals of the UBA team working in the village.

Before concluding, students were asked their queries and if they had any questions, all of which were satisfactorily answered by the UBA team.

CONSUMER RIGHT EMPOWERMENT

Date: March 15, 2023

Time: 2:00 pm

Venue: MSIT, Ground

"The consumer is the most important point on the production-line." - W. Edwards Deming.

Believing the same, UBA MSIT created a video with the main objective of the event was to create awareness about consumer rights and educate consumers about their rights and responsibilities.

The video featured case studies on previous victims of consumer right exploitation, information regarding the Consumer Protection Act and deep insights on all the 6 consumer rights. The role of manufacturers in protecting these rights was also highlighted.

The video was uploaded on UBA MSIT's instagram page and also circulated throughout the college through whatsapp and other social media mediums. Not limited to this, the students in UBA made sure that the video was also circulated in the government schools that are part of the four villages under UBA.

Overall, the video was a great success in creating awareness about consumer rights and educating consumers about their rights and responsibilities. It provided an opportunity for people to learn about their rights and how to protect themselves from unfair trade practices. We at UBA plan to conduct similar events in the future to continue the momentum and raise awareness about consumer rights in the community.

EMPOW-HER

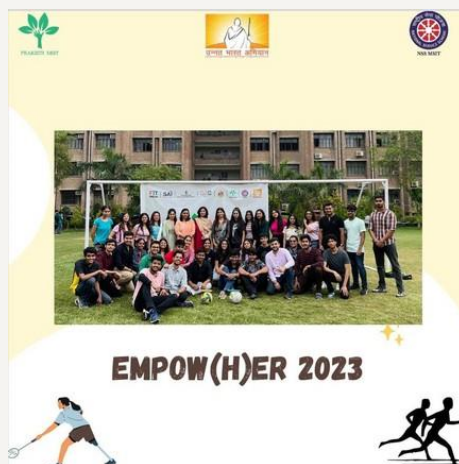

Date: March 15, 2023

Time: 10:00 am

Venue: MSIT, Ground

"Success of every woman should be an inspiration for another" this inspirational quote by Serena Williams has motivated countless women to achieve wonders. Motivated by this idea on Friday March 24 UBA MSIT in association with Prakriti MSIT, organised EMPOW-HER, it's one and only sports event for women.

The event was organised under the guidelines of AICTE on the occasion of International Women's day with the principal motive of empowering the athleticism in college girls and to promote the women's version of sports in our society. By providing a platform for women to connect and learn from each other, these events empower women to take on leadership roles and make positive changes in their lives and communities. The advent included games like kho-kho, badminton, arm wrestling and dodgeball. The event took place on the campus ground itself. It commenced by 10 am with overwhelming contentment.

G-20 Hybrid Conference

Date: April 7, 2023
Time: 1:45 pm
Venue: Online mode

As you may be aware that India is hosting the G20 this time and under Civil Society 20 (C20), one of the official engagement groups of G20, Unnat Bharat Abhiyan played a significant role for the same alongside YOJAK, which is one of the Coordinators for Lifestyle for Environment (LiFE) in C20 & an important collaborator of Unnat Bharat Abhiyan.

Unnat Bharat Abhiyan with its network of Higher Education Institutions contributed in the Sensitization of Youth about sustainability & Holistic lifestyles (LiFE), for which maximum participation of students was ensured. It was a stupendous opportunity for students to ensure that the objectives of C20 are achieved with necessary support from the HEIs engaged under Unnat Bharat Abhiyan. The students understood the importance of the program and participated with a committed mindset. It was holistic learning experience for all the engaged students.

Plantation Drive 2023

Date: July 24, 2023
Time: 10:00 am
Venue: MSIT Ground

MSIT Delhi organized a Plantation Drive with the theme, "Each One, Plant One" on the 24th of July 2023. The main ground was abuzz with excitement and enthusiasm as the much-anticipated plantation drive took place on a bright sunny morning. The event aimed to create awareness about environmental conservation and encourage faculty and students to actively contribute to greening efforts.

Over 100 saplings of various indigenous tree species were carefully selected and sourced from local nurseries to ensure their adaptability to the region's climate.

The atmosphere was filled with camaraderie and a shared sense of responsibility towards nature.

The benefits of the chosen trees were eagerly discussed, from providing shade and improving air quality to attracting local wildlife. Some expressed their desire to monitor the growth of "their" saplings over time, fostering a deeper connection with nature.

The drive not only added to the campus's greenery but also served as a powerful lesson in environmental stewardship. With a promise to nurture and care for the newly planted trees, the college community took a step closer to a sustainable and ecologically balanced future. The success of the plantation drive has inspired the college to plan more eco-friendly initiatives, ensuring that environmental consciousness remains an integral part of campus life.
