Introduction

The Hult Prize: Global competition for university students solving pressing issues for \$1M funding. Themes include social issues such as food security, education, healthcare, sustainability.

Briefing

The Hult Prize B-Plan competition was held on the 21st of February, 2024 by Hult Prize MSIT. Competitors presented their own solutions to social issues in the form of B-plan presentations. These presentations were judged on the basis of feasibility and soundness and Dr. Neeru Rathee, convenor, eCell. MSIT gave her words of wisdom, followed by the results. .The winners were Team Nobody in the first place, followed by The Dream Team in the second place. The winners were awarded a collective of Rs. 5000's worth of AyouthVeda gift hampers. Overall, the event was a success where students learnt not only how to make their own B-plans, but also how to formulate solutions to pressing societal-issues.
