## Report on Seminar on How and why researchers should patent inventions?

A seminar has been organized by Intellectual Property Right Cell on “How and Why researchers should patent inventions?” for the 3rd year students on 27<sup>th</sup> March, 2024 from 11:00am to 12:00pm in Seminar Hall # 206. Dr. Deepti Deshwal, Convener IPR Cell in coordination with Mr Kumar Tushar Srivastava, JT Attorney Alliance conducted the program. The seminar was very useful to enlighten the students about the significance of intellectual property in the start-up ecosystem, including patents, trademarks, copyrights, and trade secrets. The audience gained benefits in terms of intricacies of intellectual property law, and learn how these legal frameworks safeguard the ideas, promote innovation, and drive economic growth. Also, beyond the legalities, the ethical dimensions of intellectual property, questions of access, equity, and the public good were also discussed.
