

Department of Electronics and Communication Engineering

Report of Session on “Youth Empowerment in Digital Age: Embrace Change, Transform Future”

ECE Department, MSIT organized an online session on “**Youth Empowerment in Digital Age: Embrace Change, Transform Future**” on November 22, 2023 at 4 pm, conducted by a group of Faculty members and students of Acharya Narendra Dev College, University of Delhi on Microsoft Teams.

The session included the exposure of use of Digital Technologies and their applications offered by Ministry of Electronics and Information Technology, Govt. of India such as Unified Mobile Application for New-age Governance, Tech-Talks & Podcasts, Research & Collaboration, Online Advocacy, Ethics & Digital Well-Being etc. The session was presented by Dr. Sunita Narang, Associate Professor, Dr. Shalu Mahajan, Associate Professor and three students of Acharya Narendra Dev College, University of Delhi.

The screenshot shows a Microsoft Teams meeting interface. The main content is a presentation slide with a yellow background and a green header. The slide title is "Online Internships". The text on the slide reads: "Online internships have become increasingly popular and accessible in recent years, offering students and professionals the opportunity to gain valuable work experience, build skills, and network, all the while working remotely." To the right of the text is a bulleted list:

- Remote Work
- Diverse Fields
- Duration
- Paid vs Unpaid
- Virtual Experience

The meeting interface includes a top bar with icons for Chat, People (44), Raise, React, View, Apps, and More. A browser window titled "Audience Window - Navigating the Digital Frontier: Empowering First-Year Students for Academic Succ..." is visible above the slide. On the right side, there are video thumbnails for several participants, including a woman with glasses and a man. At the bottom left, a name tag for "Mayank Kumar (Guest)" is visible. At the bottom right, there is a circular icon with "KK" and a name tag for "Kabir Khur..." with a "View all" link.

A detailed information for availing grants for research using various schemes of government was presented during the session. Various means of availing online Internships was also presented by the team. Further, topics such as Online advocacy for uplifting the society and Privacy and data protection were also discussed. The session was enthusiastically attended by students of all branches of our Institute.
