## ENVA 2016

ENVA is the annual fest organized by Prakriti MSIT. The fest was organized over a period of two days, February 3, 2016 to February 4, 2016. It observed a footfall of 3000 participants in various events and many were awarded cash prizes and goodies for their achievements.

### ABOUT PRAKRITI

Prakriti is the Eco and Humanitarian Society of MSIT that has been one of the most active and focused societies of MSIT since its inception on March 03, 2010. All the prakritians vow to deliver their best in saving the environment from its further degradation. Our ulterior aim is to benefit the society and nature around us in any small way we can. Ever since its bricks were laid, Prakriti has been striving hard to outdo itself with every passing year. The progress that this small society has made in 6 years is commendable.

We at Prakriti follow a threefold objective:

- Identifying and responding to environmental issues
- Triggering environmental behavior amongst masses
- Offering volunteer works in various community services

We express the innate creativity, intelligence and generosity of the human spirit in our work. The initiatives that we take are collaborative and joyously heart-centered. We have recognized the need for personal and cultural transformation in order to create the social, economic and environmental conditions for sustainability. Some of the initiatives taken by Prakriti include the yearly Blood Donation Campaign, the Winter Collection Drive (old clothes, utensils, stationary, blankets, etc) , interaction with slum children in Vasant Kunj in association with Seva Sandwich by Lakshyam and Pink-a-thon for breast cancer awareness.

'Swachh Bharat Abhyan' has given Prakriti an opportunity to aware students about the most pressing issue at hand. If our surroundings are not clean then we are the culprit and it gives us no right to criticize the society. We have conducted various Cleanliness Drives to make people realize that if we can, you also can!!

### ABOUT ENVA 2016

ENVA is the foundation day of Prakriti, MSIT. It is the birthday celebration of a well-known society of the college. This year ENVA became a 2 day inter-college fest under the guidance of Dr Brijpal Singh (teacher in charge) and management of society heads – Rahul Rajpal, Prince Chopra, Tanya Gujral. ENVA is growing gradually while spreading its wings beautifully every year.

The preparation for ENVA starts with meetings, exchanging ideas, planning, preparations, assigning responsibilities, formulating action, participation, excitement and finally ends with fun, enjoyment and success! Every event or competition organized is culminated with an award ceremony.

Apart from this, it gives a noble opportunity to the students of this technical institution to participate and showcase their talent in various non-technical areas. Also, it provides them a chance to save the environment and be a part of the awarded society.

This year, Prakriti MSIT collaborated with various NGOs and invited their children to enjoy the fest and participate in various events. NGOs which graced the event were Lakshyam, Goonj..
