

## A Report on AVENSIS 2017

Avensis, Technical festival of 2017, is jointly organized by Maharaja Surajmal Institute of Technology and Maharaja Surajmal Institute on 11<sup>th</sup> and 12<sup>th</sup> January 2017. Sh. Kaptan Singh Ji, Vice-President, Surajmal Memorial Education Society has graced the inaugural ceremony on 11<sup>th</sup> January 2017. It witnessed a huge footfall of around 7000 students from various reputed colleges across the state from various departments and an unmatched zeal and enthusiasm is observed among the students.

The Avenis team worked extra hard this year to make the event a grand success in a very short span of time facing many challenges. This year the fest hosted 32 different events, furnishing a range of enthralling, challenging yet attractive technical and a few non-technical events.

The events under various categories like technical, robotics, literacy and quizzes and last but not the least fun & creativity, offered variety in term of contest, skill and presence of mind. Among all these categories, some very wonderful events have been awarded with best event certificates namely, Foodgasm from fun & creativity, Online Coding from technical, Group Discussion from literacy & quizzes and Carnage from robotics.

The motive of the Avenis 2017 was to embrace and appreciate new talents so as to imbibe soft and inter personal skills in our students and give them exposure to the real world. The aim was to provide them with lots of managerial and technical experience while having a wonderful time in order to make them great individuals who think about their people before self. Our esteemed Chief Guest Sh. S.P.Singh ji, President, Surajmal Memorial Education Society has graced the valedictory function with his benign presence on 12<sup>th</sup> January 2017. This zeal and enthusiasm among students will lead them to great places in their lives and the nation will get some great citizens.
