

## Genesis2K18: C'est La Vie

The Cultural fest of Maharaja Surajmal Group of Institutions, 'Genesis2K18: C'EST LA VIE' was organized on 12<sup>th</sup> January, 2018. This was an intra college fest where students from MSI and MSIT compete among themselves in different cultural events like singing, dance, dramatics, fine art and many more.

The festival was declared opened by a speech from Sh. S.P. Singhji, Hon'ble Chairman, Surajmal Memorial Education Society. Sh. S.P. Singh encouraged the students and whole heartedly praised the decorations done for the fest. He motivated the students to participate in all the events with fervour and competitive spirit. The speech was followed by the National Anthem and mesmerising kathak, bhangra, garba as well as a drama performance by the college students. After the opening ceremony, musical events Tinak Dhin and Encore (Indian and Western Solo Singing) started in the auditorium. For both the events we saw a heated competition among participants which was enjoyed by a lot of audience. Many other events like face painting, rangoli, photography, devil's dare and dramatics were simultaneously taking place in the College premises which attracted many of the students to take part in and enjoy the festival.

The audience enjoyed the solo-dance and group dance where the whole crowd danced along with the music.

The most anticipated and eagerly awaited event of the day was the Mr. and Ms. Genesis where the most gorgeous and handsome participants entered the stage and showcased their talent. The auditorium was jam-packed for the event and the audience waited with bated breath to find out who is the winner.

The interesting and the most enjoyable filler was the flute performance where a student played flute and beat box on the flute and didgeridoo (the oldest Australian wind instrument) which was loved by audience. The entire organising team and the winners were awarded.

The huge effort of designing & creativity team, who designed and crafted the decorative material and made the entire place look beautiful, was lauded by one and all. The stage management team, discipline team, the participants, all the event organizers, event advisors, entire bunch of student, staff and faculty members put in their best effort for smooth and successful conduction of the event. All in all, Genesis2K18 was a huge success.
