

A Report on AVENSIS 2018

Maharaja Surajmal Institute of Technology successfully organized Avensis – The Annual Fest of MSIT on January 11th& 12th. The event was a phenomenal success in all aspects and witnessed massive footfall exceeding 5000 in all the events that were held in the 2-day extravaganza. This was made possible by the hard work, dedication and the efforts put in by all the student volunteers who worked day in, day out to make Avensis 2018 an unprecedented success.

This Flagship event was started by the blessing of our elders and lamping the lights by K.P Chaudhary(Director MSIT) and J.P Singh(Director MSI) emphasizing the moto “Tamsomaajyotirgamyā”, to declare the fest open on January 11th.

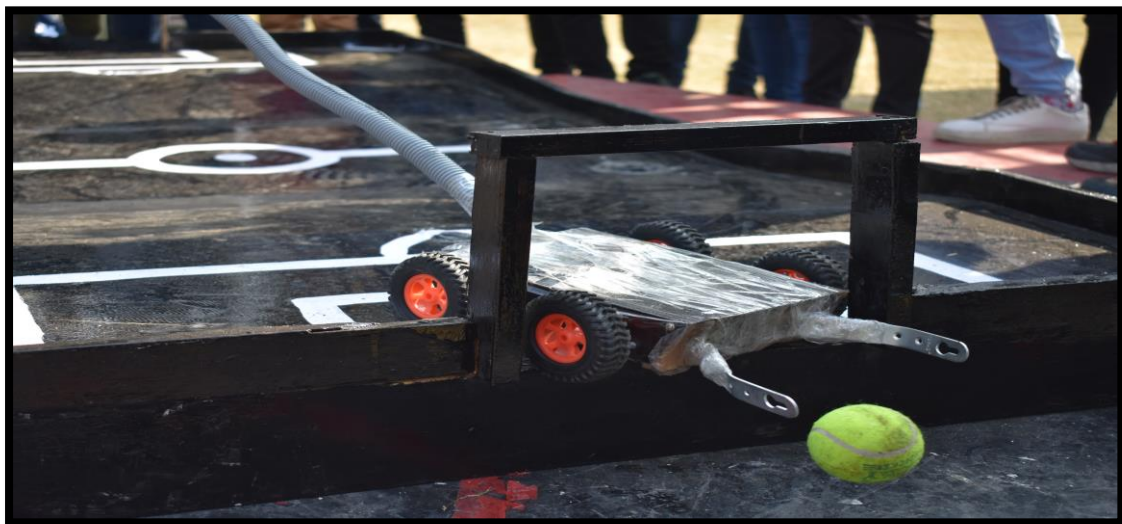

The Avensis team worked extra hard this year to make the event a grand success in a very short span of time facing many challenges. AVENSIS also present plethora of enrapturing events which are challenging yet amusing and amalgamating

both Technical and Non Technical events. The two days extravaganza is a paranoia of high octane energy and zeal.

Presenting the various departments of AVENSIS-:

For the machines is the reflection of human progress encapsulated in small chips now run the world. Following this idea, the **Robotics** department of Avensis 2K18 organised following events -

- LFR
- Carnage

- Robo Wars

No knowledge ever goes waste, for every page read and every page recorded, a thought has derived that troubles the young minds, motivates them and inspires them. **Literary and quiz** department truly stand by this world. The event under this department was:

- Netflix and Quiz
- Pop Culture Quiz
- Here, have a Meme
- Photowalk
- Tape a Tale

For the machines to work according to the wish and benefit, internal programming is necessary. With this idea Avensis present **Technical** department. The event under this department comprises of –

- Hackathon
- Techvilla
- Encoded Beans
- Brainstorm
- Online Coding
- Android gaming

For all work makes Jacks a dull boy, and behind every great creation, you need a spark of creativity. Presenting the events of **Fun and Creative** Department:

- Vortex
- Gali Sports
- Ultimate Challenge
- Treasure Hunt
- Filmy Dangal
- What the Food

The main objective of Avensis-2018 was to simplify the obscurity, nurture the budding talent and giving a platform to present their forte. The aim was to provide them with lots of managerial and technical experience while having a wonderful time in order to refurbish their personality and bring out better person than before. This zeal and enthusiasm among students will lead them to great places in their lives and the nation will get some great citizens.
