

INTRODUCTION TO PES (WEBINAR)

Conducted by IEEE MSIT Power and energy society.

Date: 9/1/2019

For: 1st, 2nd, 3rd year students.

The event was a doubt clearing interactive session with the students. Starting with a quick introduction of IEEE and PES, students were enlightened with the benefits of IEEE PES membership in their professional and daily lives. The discussion was centred around the scope in electrical engineering and the importance of hardware in product-based project development. Past projects and achievements were also discussed which encourages students to explore and learn. Keeping it an interactive session, student's doubts in the comment section were also discussed and cleared.

Speaker: Mr. Sidhant Bhat, Chairperson IEEE PES MSIT
