## AWARENESS CAMP

-organised by Maharaja Surajmal Institute of Technology  
in the month of October 2019

**Unnat Bharat Abhiyan** ,an initiative launched by the Ministry of Human Resource Development (MHRD) and inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. Under the aegis of UBA, Maharaja Surajmal Institute of Technology (MSIT) conducted an awareness camp in various villages.

Earlier teams of various villages from Maharaja Surajmal Institute of Technology had conducted a survey noting and discussing all the problems the villagers were facing. In order to bring about a change herewith , teams organized an awareness camp with the motive of spreading awareness among the villagers about the solutions of the problems.

The students made posters and pamphlets for the event, revolving around the basic issues which are being faced by the villagers .

The students interacted with the local residents and chanted heartily the slogans on the topics of woman empowerment, environmental hygiene, education and many more.

- NANGLI JALIB VILLAGE AND NANGLA RAYA- Janakpuri New Delhi With the help of posters and pamphlets made for the awareness camp message highlighting issues faced by villagers and how to identify and handle them was conveyed.

Team went from street to street, highlighting the issues of sanitization, illiteracy, women empowerment and growth of villages.

- TIHAR VILLAGE & ASALATPUR VILLAGE- Janakpuri New Delhi The teachers and the students interacted with villagers and also shouted slogans with regard to awareness .

They held banners and charts. Pamphlet were also distributed containing information about the campaign , its vision and aim, the reason for the negligence of important issues and solution towards it.

This Awareness camp was made success by the drama society of MSIT, 'Aarambh' which presented a nukkad natak in the focal area of the village which attracted the attention of the locals, the nukkad natak promoted the importance of facing the problem, rather than living in the pretence of ignorance and taking no measure at all .

The nukkad natak also focused on the topic of Education. Education is a necessity, with education the problems can be handled in a better way rather being mislead by fake beliefs or imposters

Altogether , the event was a success as many people came forward to interact

and discussed about the backwardness of the village. Also, the students assured for a better change and they hope for the same
