AVENSIS 2020
MAHARAJA SURAJMAL INSTITUTE OF TECHNOLOGY

Whenever we hear something like a tech fest, we immerse ourselves into the thoughts of new technical ideas, innovations, robotics, alluring colorful lights, unstoppable music , DJ's , creativity, and even savoring foods. We tend to bend our hunches towards competitions, huge crowds, cultural diversities and this indeed gifts a massive package of memories. To give all MSITians and MSIans this euphoria, Maharaja Surajmal Institute of Technology, successfully organised its annual technical fest- Avensis 2020 on January 8th and 9th. The event was a remarkable success and witnessed a footfall of more than 1500 students from various reputed colleges. This 2 day extravaganza presented a plethora of exhilarating events which were challenging yet extremely intriguing. This success is wholly attributed to the hard work and dedication of the student volunteers who worked restlessly day in and day out under the guidance and supervision of Dr Shaifali M. Arora(Convener), Dr Geetika Dhand (Co-Convener) and Ms Poonam(Co-Convener).

This flagship event was started by lighting of the lamp by Sh kaptan Singh (Chairman, SMES),Sh B.D. Dabas, Prof. K.P Chaudhary (Director, MSIT) and Prof. Rachita Rana (Director, MSI), Prof. Ashok Oberoi(Director Placement, SMES), Prof. Poonam Bansal(Deputy Director,MSIT). With their blessings, the fest was declared open on 8th January.
The Avensis team put in tremendous effort this year to make this event a huge success. It was indeed a challenge to organise and plan the fest in such a short span of time but with the hardwork and dedicated efforts of the whole Avensis team, the fest turned to a memorable event. AVENSIS presented a wide range of enrapturing events; it was a perfect blend of Technical as well as Non-Technical events. There were a total of 32 events held under Avensis 2020.

The annual fest was conducted under four departments- Robotics, Fun and Creativity, Technical and Literary and Quizzes.

- Anything humans can do, robots can do better. Exploring this vision, the **Robotics Department** presented various events- Robo Wars, Line Following Robot, Robot Rugby, Carnage, Robo Maze and Roboworld.

- Every word ever written motivates and inspires us. Standing by these words, the **Literary and Quizzes Department** hosted the following events- Pop it like it's hot,Face the mask,Tape a tale , OK-Memer , B.T-The biz tech quiz,Sike the psych.

- Programming becomes a necessity for making machines to work according to our needs. realising the importance of programming in today's world, the **Technical Department** conducted the following events- Code Shuffle, PUBG, CS Go, COD, FIFA, NFS, Mortal Kombat, Hackathon, Hack the web, Brocode,Blind code and Codify.

- All work and no play, makes Jack a dull boy. Realising the importance of fun and creativity in life, the **Fun and Creative Department** organised the following events- Veteran Showdown, Bollywood Unplugged, Dawat-E-Khel, Gully Cricket,Trove- The Treasure Hunt, Mind the mines,Rope Burn and Footvolley.

Avensis 2020 came to an end with its closing ceremony on 10th Jan, 2020 in which the students obtaining first, second positions were awarded with certificates and prize money for their commendable performance. Also all the faculty and student organizers were awarded with appreciation certificates for successfully organizing and completing this technical fest. Sh Kaptan Singh, Chairman SMES appreciated efforts of the organizing team who had successfully managed all the arrangements besides rain. The ceremony was concluded with a vote of thanks by Dr Shaifali M. Arora, convener AVENSIS'20.
