Webinar on Career Opportunities After B.Tech.

The Department of Electrical & Electronics Engineering (EEE) of Maharaja Surajmal Institute Of Technology (MSIT), New Delhi organized a webinar on the topic “Career Opportunities After B.Tech.” on 11th September, 2021. The objective of this webinar was to guide students and enlighten them of the various career options available after B.Tech. and how to pursue them. The speaker for this webinar was Prof. Baseet Alam, a motivational speaker and Sr. Faculty at ACE Engineering Academy.

It was a very informative and interactive event. In this session students were enlightened about the various career opportunities they can pursue after graduating as engineers and also about various paths they can take.

The session revolved around the various national level exams that are needed in case of jobs as well as for higher studies in the renowned and prestigious institutions. The examinations included were recognized by all major recruiters and the Government of India. These include – GATE, ESE, PMRF and many more.
