Maharaja Surajmal Institute of Technology Expert Lecture on IPR

An expert lecture on IPR was conducted on 04/03/2023 at 12 noon in #206. The main speaker was Mr. Kumar Tushar Srivastava, legal consultant for IPR activities at MSIT.

The event started with a bouquet presentation by Director MSIT to Mr. Srivastava. It was then followed by an interactive session by Mr. Srivastava. The session covered the following domains:

- What is IPR and its utility
- Various IPR activities
- The whole process of patent application till grant
- Potential and active areas that have probability of success for patent grant
- Timeline of Patent grant

The session was followed by Question & Answer. Thereafter, Director MSIT shared his viewpoint on the same. He motivated the faculty to come forward and take initiative in this direction. He reiterated that goal of at least 80 patent in grant mode be achieved by MSIT in a stretch of 4 years. He even announced that a sum of Rs. 50,000/- will be awarded to the faculty, from his own side, to the faculty who is the first one to be granted a patent through this channel/SOP already conveyed. The event ended with a vote of thanks by Dr. Naveen Dahiya.
