On December 1, 2023, TIMES has orchestrated an illuminating seminar at Maharaja Surajmal Institute of Technology in Janakpuri. The speaker of the Mr. Grijesh (PGDM) a dedicated education professional with a wealth of 15 years of experience. The session started at 11:00 AM and it was 2 hour long session. The session aimed to provide students with invaluable insights into the prospects of pursuing higher education overseas. The speaker briefed & discussed MBA as a career option and its various colleges & their placement in India and abroad. There were 75 students present to attend the session. The audience comprised a diverse assembly of students and esteemed faculty members from the institute. Moreover, Mr. Grijesh shared vital statistics regarding Indian students' success rates in securing visas for these countries.

The seminar also delved into practical tips and techniques for a seamless application process. The discussion also encompassed the financial considerations involved in studying abroad, including scholarship opportunities and part-time work in the UK and in the Idea.

Organized By:

Saba Khanum
