

Career Guidance Mentorship Program

The Alumni cell of MSIT organized a highly insightful and engaging lecture titled "**Career Guidance Mentorship Program**" on 4th May 2024. The session aimed to provide invaluable guidance and mentorship to 3rd-year students, aiding in their personal and professional development.

Speaker Profile:

Mr. Anmol Vaid possesses over 5 years of experience in developing robust data pipelines and optimizing data processing workflows. He showcased proficiency in various big data technologies, including Hadoop, Spark, and Kafka. Additionally, his adeptness in collaborating with cross-functional teams to deliver results was highlighted.

Objective:

- Provide clarity and confidence to students in navigating challenges and opportunities in their career paths.
- Offer guidance on personal and professional development.

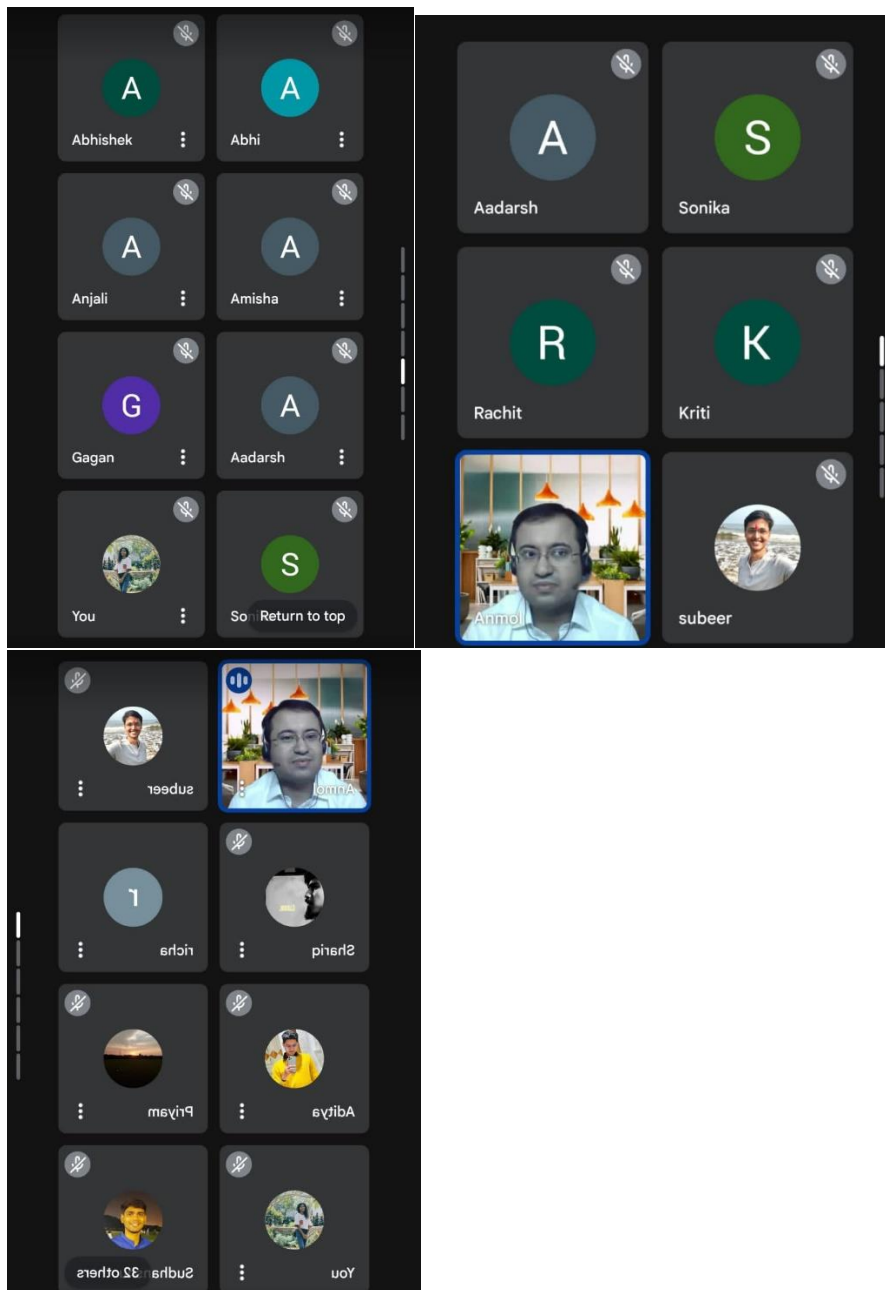

Session Highlights

- Mr. Anmol Vaid shared personal anecdotes and insights from his professional journey, offering valuable lessons and learnings.
- He emphasized the importance of continuous learning and adaptability in today's dynamic job market.
- Practical tips and strategies were provided for enhancing personal and professional skills, including communication, leadership, and problem-solving.
- Interactive Q&A sessions enabled students to seek guidance on specific career-related queries and challenges.

Key Takeaways:

Importance of gaining practical experience and exposure through internships and projects. Emphasis on building a strong professional network and leveraging alumni connections for career advancement. Insights into emerging trends and technologies shaping the future of various industries, particularly in the field of data science and analytics.

The Career Guidance Mentorship Program, featuring Mr. Anmol Vaid as the distinguished speaker, proved to be immensely beneficial for the 3rd-year students of MSIT. His invaluable advice and encouragement will undoubtedly empower them to make informed decisions and embark on successful career paths.

Career Guidance Mentorship Program ended with a vote of thanks by **Dr. Richa Gupta and Dr. Sakshi Rajput**
