8	Venue	Maharaja Surajmal Institute of Technology(Seminar Hall : 06)

The Department of Information Technology (2nd Shift) at Maharaja Surajmal Institute of Technology, New Delhi, hosted an enlightening workshop on "Effective Web Caching and Content Distribution." Renowned Hybrid Cloud Architect at Google, Mr. Anmol Krishan Sachdeva, graced the occasion as the keynote speaker, known in tech circles as "GreatDevAks."

**The Department of IT (2nd Shift) at MSIT, New Delhi, hosted an enlightening workshop**

**Inauguration:**

The workshop began with a gracious welcome by our esteemed Professor of the IT Department, Mr. Sitender Sir, who presented Mr. Anmol Krishan Sachdeva with a bouquet of flowers, marking the commencement of the event.

**Dr. Sitender presenting the bouquet to Mr. Anmol Krishan Sachdeva.**

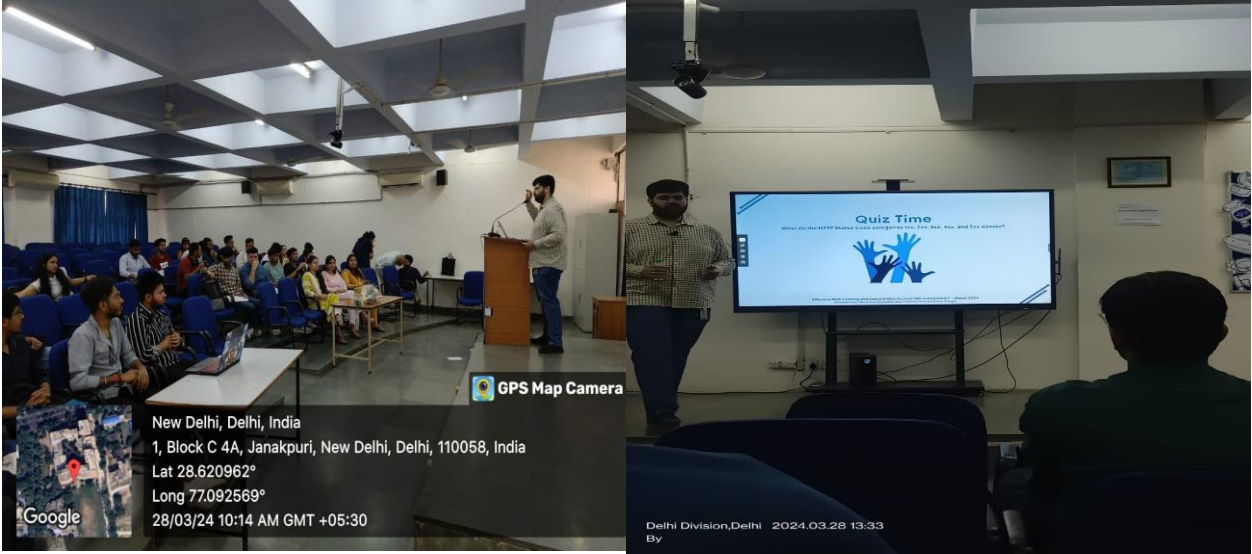

**Introduction:**

Mr. Sachdeva, widely recognized as "GreatDevAks," is an international tech speaker, a distinguished guest lecturer, an adjunct professor, and a tech panelist. His wealth of experience and expertise in the field made him a fitting choice to enlighten the audience on the intricacies of web caching and content distribution. He holds a Master of Science degree in Advanced Computing from the University of Bristol, UK, specializing in a diverse array of fields like Machine learning, Artificial Intelligence, Robotics, Cloud Computing, etc.

## Keynote Address:

Mr. Sachdeva captivated the audience with his insightful presentation, covering a range of topics including cache busting, HTTP status codes, challenges with caching, web caching, cloud, and content delivery. Through interactive quizzes and real-world scenarios, he elucidated complex concepts, leaving the audience enthralled. He emphasized the importance of effective web caching and content distribution in enhancing user experience and optimizing web performance. Drawing from his extensive experience, Mr. Sachdeva shared practical tips and strategies for overcoming common challenges faced in caching and content delivery, providing the audience with valuable insights that could be applied in their own projects and endeavors. His engaging delivery style and in-depth knowledge kept the audience captivated throughout the session, making it a truly enriching experience for all attendees.

**Mr. Anmol Krishan Sachdeva engaging with the audience with a quiz or scenario.**

### **Closing Ceremony:**

To express our gratitude, a memento was presented to Mr. Sachdeva on behalf of the IT Department and the entire MSIT, acknowledging his invaluable contribution to the workshop.

The workshop was a resounding success, thanks to the insightful presentation by Mr. Sachdeva and the enthusiastic participation of the audience. It provided valuable insights into the world of web caching and content distribution, leaving the audience enriched and inspired.

We extend our heartfelt gratitude to Mr. Anmol Krishan Sachdeva for sharing his knowledge and expertise with us and look forward to more such enlightening sessions in the future.
