Introduction

The Mock Placement Drive, organized by the IT-Evening Fourth Year for their juniors along with collaboration with alumni from batches 2016 to 2022 aimed to simulate a real-world recruitment process to prepare students for future job opportunities. The event took place on 13th April with, Technical and HR rounds designed to evaluate different skills and provide valuable insights from alumni. The Mock Placement Drive focused on enhancing students' understanding of the industry and providing valuable guidance from alumni. To facilitate this, alumni were invited to interact with the juniors, sharing insights, experiences, and advice to navigate their careers effectively.

Pre-Mock Interview Session with Alumni

Before the formal interviews, a pre-interview session was held where juniors had the opportunity to clarify their career doubts and seek guidance from the alumni. This session aimed to provide students with valuable information about various career paths, industry trends, and essential skills for success in the IT sector.

Technical and HR Interviews

Following the pre-mock interview session, the Mock Placement Drive proceeded with technical and HR interviews conducted simultaneously. The technical interview evaluated students' technical knowledge, problem-solving abilities, and practical skills relevant to the industry. Simultaneously, the HR interview assessed their communication skills, interpersonal skills, and overall suitability for the corporate environment.

TECHNICAL PANEL			
SNO	PANEL 1	PANEL 2	PANEL 3
1	Ishant Thakral (Alumni)	Kabeer Rai (Alumni)	Daksh (Alumni)

Conclusion

The mock interview interaction event was enriching, offering a diverse range of perspectives and actionable insights for students preparing for HR and technical interviews. The alumni expertise in various domains, coupled with practical advice and real-world experiences, provided a holistic understanding of industry expectations and career pathways. Overall, the event served as a guiding light for students navigating the transition from academia to the professional world.
