Introduction

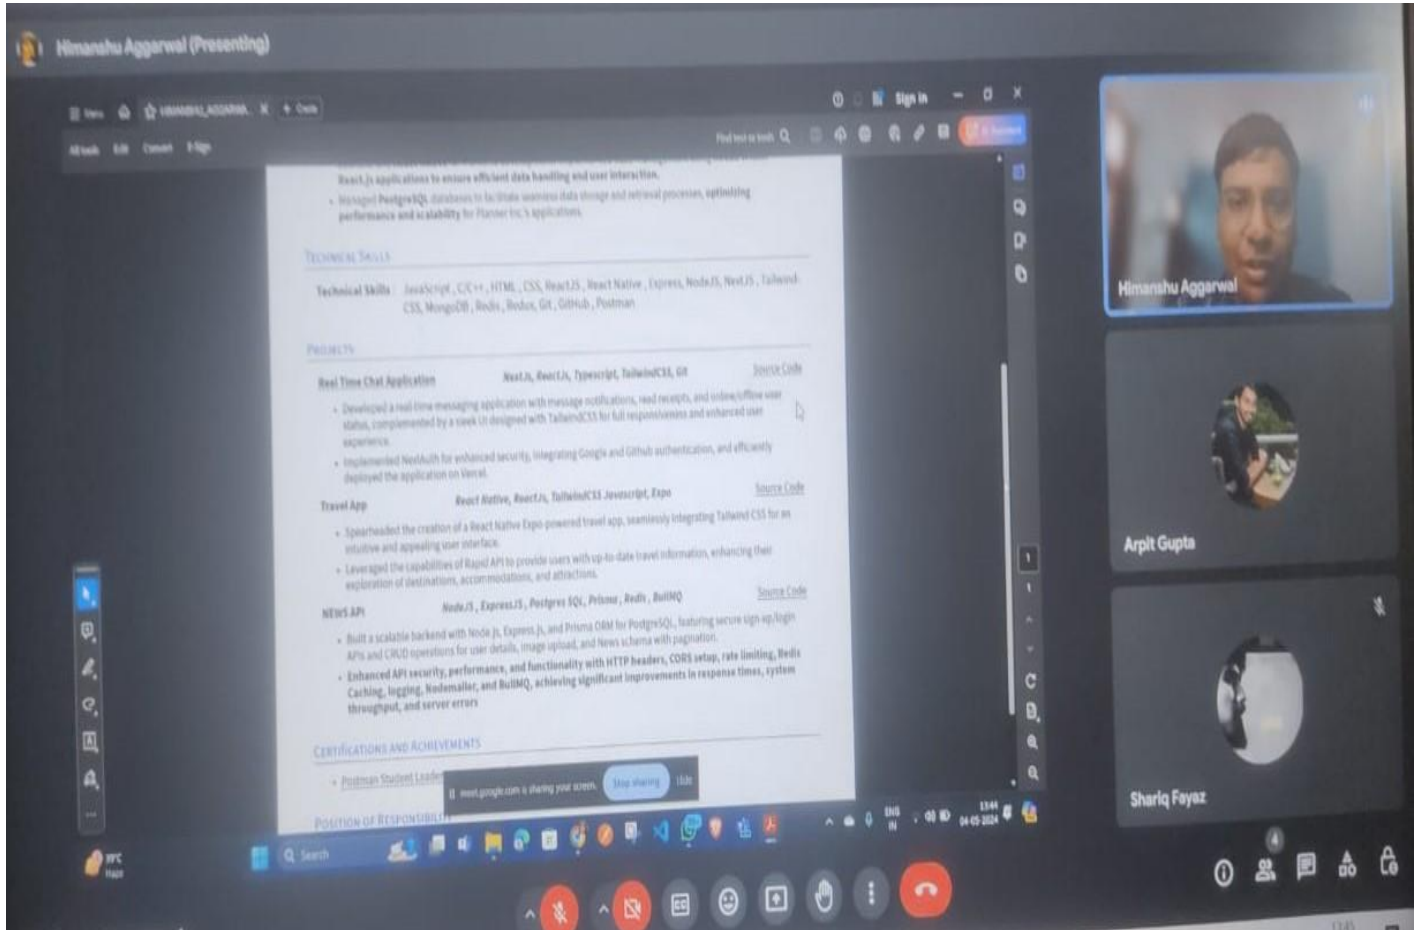

The Mock Interview Drive, organized by the Alumni Committee in collaboration with alumni aimed to simulate a real-world recruitment process to prepare students for future job opportunities. The event took place on 4th May with, Technical rounds designed to evaluate different skills and provide valuable insights from alumni. The Mock Interview Drive focused on enhancing students' understanding of the industry and providing valuable guidance from alumni. To facilitate this, alumni were invited to interact with the juniors, sharing insights, experiences, and advice to navigate their careers effectively.

Mock Interview Session with Alumni

Before the formal interviews, a interview session was held where junior shad the opportunity to clarify their career doubts and seek guidance from the alumni. This session aimed to provide students with valuable information about various career paths, industry trends, and essential skills for success in the ECE and TECH sector.

The Mock interview Drive was conducted under the esteemed guidance of Dr. Richa Gupta and Dr. Sakshi Rajput, played a pivotal role in overseeing the logistics and coordination of the Mock interview, ensuring that all aspects of the event were meticulously planned and executed. Their guidance and support were instrumental in the success of this initiative, fostering a conducive environment for learning and skill development among the participating students.

Conclusion

The mock interview interaction event was enriching, offering a diverse range of perspectives and actionable insights for students preparing for HR and technical interviews. The alumni expertise in various domains, coupled with practical advice and real-world experiences, provided a holistic understanding of industry expectations and career pathways. Overall, the event served as a guiding light for students navigating the transition from academia to the professional world.
