A guest lecture on "UNLOCKING DOORS TO TOP MASTERS PROGRAM" was organized by Mr. Akshay Singh and Ms. Mamta Gahlan (Assistant Professors, IT Department) in collaboration with IMS Learning Resources Pvt. Ltd. on 23rd August 2024 from 12:30 to 1:30 PM in Room No. 310. It provided students with a comprehensive overview of the opportunities and challenges associated with obtaining an education in international institutions. The session began by exploring the various academic programs and universities available in different countries.

The speaker, Mr. Harinder Negi, highlighted all the steps in the application process, including the exams such as the GRE and GMAT, which are prerequisites for admission to these esteemed foreign universities. The speaker gave us a detailed guide on how they can help us with the application process. He also mentioned the complexities regarding the financial resources needed in order to apply for these educational programs. The session also addressed the increasing difficulty of pursuing higher education within India due to intense competition for limited spots in top institutions. Mr. Negi noted that studying abroad could offer a viable alternative, providing easier access to high-quality education. Additionally, the session covered practical aspects such as visa procedures, accommodation options, and the importance of cultural adaptation for students considering international education.
