POSTER OF THE EVENT

Date: 24 April 2024

Time: 4:00 PM IST

Location: Digamber Jain Mahila Ashram, Daryaganj, New Delhi

- On the auspicious occasion of the **7th edition** of **IEEE PES DAY**, the **IEEE PES MSIT student chapter** and **EEE Department, MSIT in collaboration with IEEE PES IAS CHAPTER DELHI** and **PELS CHAPTER DELHI**, under the guidance of our chapter advisor, **Dr. Jyoti Jain**, embarked on a heartwarming journey to the **Digamber Jain Mahila Ashram in Daryaganj, Delhi**.

- The visit commenced with a gesture of kindness as refreshments were distributed to all the children and staff of the ashram, fostering a sense of joy and camaraderie among everyone present.

- Following this, the members of the **PES chapter**, along with **Dr. Jyoti Jain**, gracefully introduced themselves and engaged the students (Seventh classes to 12th classes) of the ashram in an enlightening discourse. Their motivational talk was carefully crafted to spark curiosity in young minds about electrical mobility and innovation, inspiring them to strive for greatness in their endeavors.

- An illuminating **PowerPoint** presentation further enriched the students' understanding of electric mobility and innovations, as they eagerly absorbed the knowledge with dedication and zeal. The presentation was a vibrant journey into the world of electric mobility, specifically tailored for high school students. It simplified complex concepts such as electric motors, generators, and the role of IEEE PES, making them accessible and engaging. Moreover, it illuminated the path towards a sustainable future, sparking curiosity, and empowering the next generation to innovate in the field of clean energy and electric mobility.

- To infuse an element of excitement, a playful game ensued, where correct answers were rewarded with chocolates, adding to the jovial atmosphere and keeping the spirits high among the children.

- In a gesture of support for their educational journey, pens were distributed to the students, empowering them to pursue their dreams and carve a path to success.

- The seminar and talk session were met with resounding enthusiasm and applause from all the children, a testament to the impact of the engaging discussions led by **Dr. Jyoti Jain** and the PES members.

- Adding a touch of merriment, a round of fun-filled songs echoed through the ashram, culminating in spontaneous performances by the children, spreading joy and laughter throughout.

- As the day drew to a close, chocolates were distributed to all the students, serving as sweet reminders of the memorable moments shared together.

- With a steadfast commitment to empowering students and nurturing a brighter future, the day served as a beacon of learning, fun, and inspiration. It underscored the significance of community outreach and the pivotal role it plays in shaping the next generation of innovators.
