

Department of Electrical and Electronics Engineering

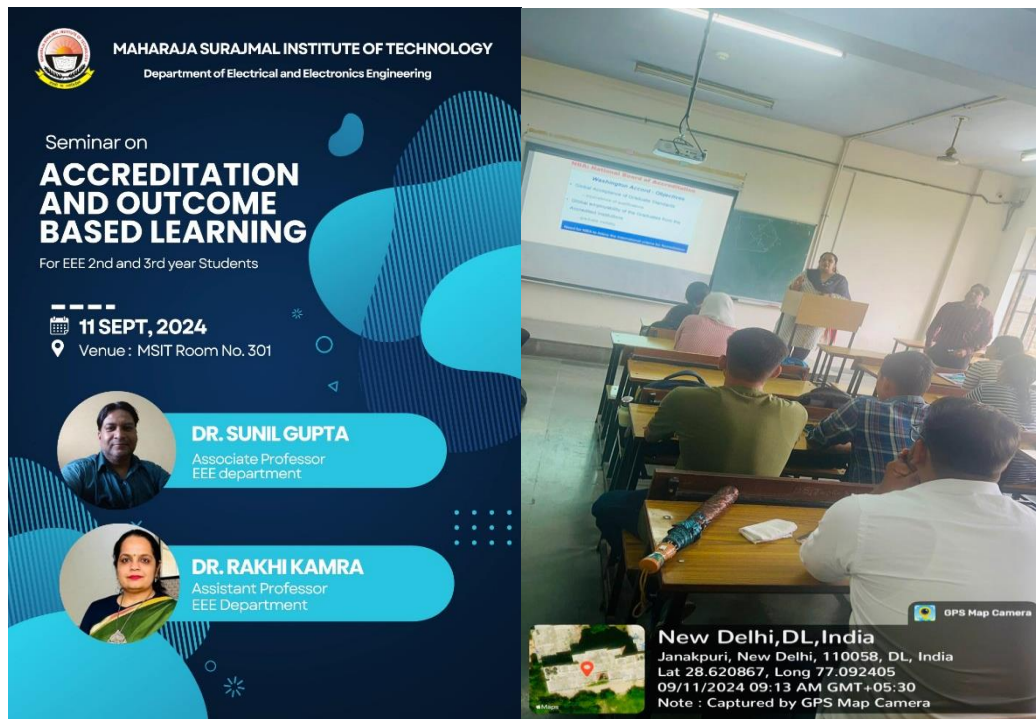

Report

The Department of Electrical and Electronics Engineering organized an insightful seminar on "NBA Accreditation & Outcome Based Education on 11th September 2024, delivered by **Dr. Sunil Gupta, Asso. Prof., EEE Department** and **Dr. Rakhi Kamra, Asst. Prof., EEE Department** at MSIT.

The session started by Dr. Sunil Gupta with the orientation of OBE concepts in which depth focus was given on Blooms Taxonomy, the introduction of NBA, the need of NBA, Why NBA is critical, and the importance of NBA in international arena for the students, program & the institute.

Dr. Rakhi kamra explained the Vision and Mission of the MSIT, Vision and Mission of EEE Department, and the significance of PEOs/PSOs/POs/COs in NBA to the with students. She explained with an example about formulation of CO, CO-PO mapping and about course assessment plan. The course outcomes of Power Sysems, CO-PO Mapping and their attainment was discussed with students so that they will have deep insight about what is the course outcomes, program outcomes, program specific outcomes and the attainment of COs/PO's/PSOs

The session was concluded with why NBA certificate matters so much for the students/department and the institute. The session was followed by questions & answers and interaction by the students was excellent and all the students were benefitted from this workshop.

Dr. Sunil Gupta
