

Interaction – Participation and key points related to Tata Advanced online assessment

An online interaction was scheduled for students participating in the Tata Advanced online assessment on 7th Feb., 2025.

The meeting was held in online mode on 6th Feb. at 8.30 PM. All shortlisted students were asked to attend the meeting. Convener, Placements, Dr. Meena Rao and Co-convener, Dr. Kavita Sheoran and Dr. Parveen Kumar conducted the meeting.

Key points-

1. All students were motivated to whole heartedly participate in the drive.
2. Students were asked to appear on time and prepare well for the upcoming assessment
3. Job description of the company was discussed in detail. It was informed that the role required information about cybersecurity. So, students were asked to focus on the same.
4. Also, students were asked to practice well for aptitude, reasoning and quantitative questions. They were also earlier provided with practice questions for the same.
5. Students were asked whether they have any queries. All questions regarding reporting time, the duration of the test, package offered were taken up to the satisfaction of the students
6. Meeting ended with thanks to all.

meena rao has invited you to join a video meeting on Google Meet.
