

Mock Test and Interview session: A Report

Organized by:

**Placement Committee,
Maharaja Surajmal Institute of Technology**

Date: 8th Feb., 2025

1. Introduction

To assist unplaced students in their placement journey, a comprehensive preparation session was organized at Maharaja Surajmal Institute of Technology. The session aimed to equip students with the necessary skills and insights required to excel in their placement processes.

The event was conducted by Convener Placements MSIT, Dr. Meena Rao and Co-convener, Dr. Kavita Sheoran and Mr. Parveen Kumar. The session was taken forward by esteemed alumni who shared their experiences and guided students through the challenges of placement interviews and tests. Their mentorship provided students with practical knowledge, making them more confident in their job search.

2. Mock Test Overview

A key feature of the session was a 90-minute mock test, designed to evaluate students' readiness for placement exams. The test comprised the following sections

Aptitude Test

Assessed logical reasoning and problem-solving abilities.

Focused on pattern recognition, puzzles, and critical thinking skills.

Quantitative Analysis

Evaluated mathematical and analytical skills.

Covered data interpretation, numerical ability, and fundamental arithmetic.

The mock test aimed to provide students with real-time exam experience, helping them identify their strengths and areas requiring improvement.

2. Mock Interview

Mr. Prasanjeet Parasar, Batch 2023, B.Tech CSE and currently working in ION Trading and Mr. Arvind Agrawal, Batch 2023, B.Tech CSE, currently working in Veersa Technologies guided the students and conducted the mock interview sessions. The session commenced with an interactive discussion, where the alumni provided valuable tips on:

Resume Building: Best practices for crafting an effective resume.

Interview Techniques: Tips on answering common and technical interview questions.

Placement Strategies: How to approach campus recruitment challenges.

Additionally, the alumni shared their personal experiences and insights on securing job opportunities. Their real-world examples helped students understand industry expectations and hiring trends.

4. Conclusion

The session proved to be highly beneficial for the students, offering them exposure to the actual placement process and enhancing their preparedness. The alumni shared insightful feedback on students' performances and provided guidance for further improvement.

Such initiatives play a crucial role in bridging the gap between academic learning and industry expectations, ensuring that students are well-prepared for their professional careers.
