

AICTE releases revised academic calendar, classes to resume on December 1

TIMES NEWS NETWORK

The All India Council for Technical Education (AICTE) has revised the academic calendar for the 2020-21 academic session. The council has extended the last date of admission in first-year engineering colleges to November 30. The classes for first-year engineering students will now commence on December 1, 2020.

“Due to prolonged emergent conditions in the country and requests from various state governments and ongo-

ing admission process of IITs and NITs, the Council has extended the last date of admission to first-year engineering courses (UG and diploma lateral entry) to November 30, 2020. Accordingly, the last date of commencement of classes of first-year is December 1, 2020,” read the official statement. The classes may be started in online/offline/blended mode. Apart from undergraduate engineering courses, the council has extended the last date of admissions for diploma lateral entry courses till November 30.
