NOTICE

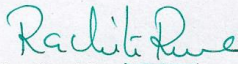

Sub: Unauthorized Parking on Main Road.

Yesterday, Senior Officer of Delhi Traffic Police visited the MSI & MSIT Office. There was a serious discussion in reference to the unauthorized parking by the students of MSI & MSIT on main road. Delhi Traffic Police personnel were of the strict opinion of not to park any vehicle on the road.

We tried to convince them that it will be little difficult to remove all the vehicle from the road. **Finally, it was decided not to allow any vehicle to park on the opposite side of the road. Parking of vehicle is only allowed on the one side of the road (college wall side).**

As per Delhi Traffic Police, vehicles parked other side of the road will be challaned and owner of the vehicle will be responsible not college.

Further, students are advised to use public transport. Share/Pooling of car in public interest.
