Report of Session on “GMAT Preparation”

ECE Department, MSIT in association with MSC-MSIT organized a Seminar on “**GMAT Preparation**” on April 08, 2025 at 10:30 am, in association with **SIEC Education**. Mr. Arun Bhatia from SIEC Education delivered the session who is an experienced professional with expertise in GMAT preparation. The attendees from students of B.Tech from all branches actively participated in the quiz competition and interactive sessions, engaging with the speakers and their peers.

Mr. Arun Bhatia during the session

Event Highlights:

1. **Comprehensive Syllabus Breakdown:** The session provided a detailed overview of the GMAT syllabus, helping students understand the exam format, question types, and scoring patterns.
2. **Time Management and Study Roadmap:** The speaker shared effective time management strategies and study plans, enabling students to create a personalized study schedule and make the most of their preparation time.
3. **Personalized Post-Session Consultation:** Attendees had the opportunity to interact with the speakers and clarify their doubts, receiving personalized guidance and support.

Key Takeaways:

The session provided valuable insights into various aspects of GMAT preparation, including:

1. Overview of GMAT Exam Format and Syllabus: Students gained a comprehensive understanding of the GMAT exam format, syllabus, and scoring patterns.
2. Test Prep: Detailed guidance on preparing for GRE/GMAT, including exam structure, preparation strategies, and available resources.
3. Information about Other Standardized Tests: Students received information about other tests, like PTE, IELTS, GRE, & GRI, helping them make informed decisions about their higher education pursuits.
4. Latest Programs: Information on newly introduced academic programs offered by international institutions aligned with current global trends.
5. Colleges: Insights into reputed colleges across different countries, with tips on how to evaluate and shortlist options based on individual academic and career goals.
6. Universities: Overview of top global universities, their rankings, program offerings, and application requirements.
7. Scholarships: Discussion on various scholarship opportunities for international students to support tuition and living costs.
8. Career Opportunities: Exploration of career pathways and job prospects after completing higher education abroad.
9. Internships: Importance of internships during study programs to gain practical experience and enhance resumes

The GMAT Preparation Session was a resounding success, providing students with valuable guidance, resources, and support for their GMAT preparation journey. We look forward to organizing more such events in the future, helping students achieve their academic and professional goals.
