

# IEEE PES DAY 2025 CELEBRATION

On the auspicious occasion of the 8<sup>th</sup> edition of IEEE PES DAY, the IEEE, IEEE PES MSIT Student Branch Chapter and EEE Department, MSIT in collaboration with IEEE PES IAS CHAPTER DELHI organised a series of webinars. The theme for 2025 is “Clean Energy, Smarter Grids, Better Lives,” emphasizing the transformative power of clean energy and intelligent grid systems in enhancing the quality of life.

## DAY 1 (22 April, 2025)

- Webinar on IEEE MEMBERSHIP DEVELOPMENT By **Dr. Rajesh Pindoriya**, Assistant Professor (Senior Member IEEE, MIE(I), MIETE), Department of Electrical and Instrumentation Engineering, Thapar Institute of Engineering and Technology (TIET), Patiala, Punjab.

## DAY 2 (23 April, 2025)

IEEE PES MSIT organized an online quiz on the day 2 along with a webinar series on

- Green Energy By **Dr. Jyoti Jain**, Associate Professor, EEE MSIT.
- Reducing emissions through green energy-**Ms.Suman**
- Measurement of efficiency of 3- $\phi$  induction motors in industries for auditing purpose-**Ms. Shweta Mishra**
- Renewable Energy Dashboard-**Mr Shubham, Ujjwal, Vansh, Manan.**
- Green Energy **Mr. Jeevansh Sharma**
- Save Energy **Ms. Charvi**

We firmly believe that such initiatives play a crucial role in nurturing the next generation of innovators and contribute to the overall development of society. Webinars have been attended by 35+ students.

The poster for the IEEE PES DAY 2025 CELEBRATION Webinar on Membership Development is organized by IEEE PES MSIT in association with IEEE Delhi Section PES. It is scheduled for April 22 at 5:00 PM on Google Meet. The contact information provided is Pranav Sood: 9990215620 and Chetan Wadhwa: 9873179389. The poster features a portrait of Dr. Rajesh M. Pindoriya, who is a Senior Member IEEE and an Assistant Professor at Thapar Institute of Engineering and Technology (TIET). The poster also includes logos for IEEE MSIT, IEEE PES, and the Maharaja Surajmal Institute of Technology. At the bottom, there are logos for various IEEE PES chapters and a small illustration of a person working on a laptop.
