5<sup>th</sup> November, 2024

### Report of Session on “NBA Awareness”

The Department of Electronics and Communication Engineering at Maharaja Surajmal Institute of Technology organized a session on National Board of Accreditation. Prof. Puneet Azad and Dr. Shaifali M. Arora were the speakers for the session. The event was conducted on 5th November, 2024 in Seminar Hall (#206), ECE department. The session was attended by final year students of ECE along with faculty members of the department. Outcome Based Education (OBE), Outcome based Learning and Teaching, and Outcome based assessment were discussed in detail by Prof. Puneet Azad. He discussed the importance of Programme curriculum and teaching and learning process during the entire engineering course. He also explained the Vision and Mission of the Institute and the department.

The poster features a dark blue background with a green header bar containing the text "Maharaja Surajmal Institute of Technology" in yellow. Below this, the text "Department of Electronics and Communication Engineering" is written in white. A yellow line of text reads "presents a Seminar on". In the center, there is a blue box with the NBA logo (National Board of Accreditation) and the text "NATIONAL BOARD OF ACCREDITATION". To the left, under the heading "Speakers", are two circular portraits: the top one is of Prof. Puneet Azad, Professor, ECE Dept, and the bottom one is of Dr. Shaifali M. Arora, Assoc. Prof. ECE Dept. To the right of the portraits, the date and time "5<sup>th</sup> November, 2024 9:00 am onwards" and the venue "Venue: Seminar Hall (206)" are listed. At the bottom right, there are three small photographs: the top one shows a large group of students seated in a seminar hall; the bottom left one shows a person standing at a podium in a seminar room; the bottom right one shows a man speaking at a podium with a presentation screen behind him.

The concept, formulation process and need of PEO and PSO was discussed by Dr. Shaifali M. Arora. The importance of program and course outcomes was explained to all the students. It was told to students that the purpose of the accreditation by NBA is to promote and recognize

excellence in technical education in colleges and universities - at both the undergraduate and post graduate levels. The Institutes are recognized at international level due to NBA accreditation. The students of ECE department were benefitted by the session in terms of the entire process of NBA and its utilization.
