

Report of Session on “NBA Awareness”

Prof. Neeru Rathee, HOD, ECE and NBA Coordinator, organized a session on National Board of Accreditation. The event was conducted on 2nd December 2024 in Seminar Hall (#206), ECE department. The aim of the session was to make the faculty members of ECE and other departments aware about Vision, Mission, PEOs, PSOs etc. Outcome Based Education (OBE), Outcome based Learning and Teaching, and Outcome based assessment were discussed in detail by Prof. Neeru Rathee. The importance of Programme curriculum and teaching and learning process during the entire engineering course along with how the same can be incorporated during teaching learning was discussed. Prof. Neeru also discussed the importance of disseminating the Vision, Mission, PEOs and PSOs to students during classes

The concept, formulation process and need of PEO and PSO was also discussed. The importance of program and course outcomes was discussed and explained with all faculty members. The session achieved its aim of raising NBA awareness among faculty members.
