

Report on Envisage 4.0 2025

ECell, Maharaja Surajmal Institute of Technology (MSIT) successfully organized its annual flagship event, Envisage 4.0, on 31st October 2025. The event once again stood as a beacon of creativity, innovation, and entrepreneurial spirit, offering a dynamic platform for students to present, discuss, and refine their business ideas. We extend heartfelt gratitude to Dr. Neeru Rathee, Convener of E-Cell MSIT, for her continuous guidance and encouragement, which have been instrumental in shaping Envisage into a platform that nurtures creativity and inspires innovation. The judging panel included Dr. Saurabh Trivedi, *Founder of VentureBolt and Innovation Strategist*; Mr. Lakshay Chauhan, *Founder and CEO of Mercury.ai*; Mr. Shaurya Mishra, *Chief Advisor at E-Cell MSIT and Chairperson of IEEE MSIT*; and Ms. Harshika Drall, *Former Vice President of E-Cell MSIT*.

Their thoughtful feedback offered immense learning to the participants. Adding to the inspiration, Mr. Saarthak Bakshi, Entrepreneur and CEO of RISSA IVF, joined as the guest speaker, sharing impactful lessons on entrepreneurship and leadership. The theme for Envisage 2025, *"Emerge. Explore. Evolve."*, perfectly embodied the event's vision, encouraging participants to think beyond boundaries and redefine possibilities. Powered by AALISHA INSTITUTE, the event upheld its legacy of fostering creativity, leadership, and enterprise within the student community.

INTRODUCTION

The event began at 10:00 a.m. with a warm welcome by Divyakshi, who greeted the participants, judges, and guests with great enthusiasm. In her opening remarks, she spoke about the growing importance of entrepreneurship in today's world and how Envisage 2025 provides a platform for students to turn their innovative ideas into reality. She emphasized that the event is not just a competition but a space for learning, collaboration, and inspiration, encouraging young minds to step beyond comfort zones and explore new possibilities. Her address beautifully captured the essence of this year's theme, *"Emerge. Explore. Evolve."*, setting an optimistic tone for the day ahead.

PITCHING

After the speaker session, the stage was set for the pitching round, the most anticipated segment of the day. The 30 shortlisted teams took turns presenting their entrepreneurial ideas before the panel of judges. Each team was evaluated on creativity, feasibility, innovation, and potential social or commercial impact.

Participants presented diverse ideas ranging from AI-based solutions, healthcare innovations, and sustainable technologies to creative social ventures addressing educational and environmental issues. The atmosphere in the seminar hall was electric, as every team showcased passion, confidence, and originality in their presentations.

One of the standout projects was CareTales, an *AI-powered storytelling platform designed for ill children*. This project beautifully combined technology and empathy to bring joy and comfort to young patients through personalized stories generated by artificial intelligence. The concept captured the essence of socially responsible innovation and was highly appreciated by both the judges and the audience.

The pitching session not only provided participants with a platform to exhibit their creativity but also allowed them to receive valuable insights and constructive feedback from the judges. It fostered an environment of learning, collaboration, and mutual growth, exactly what *Envisage* aims to achieve every year.

The *Envisage* event witnessed an engaging and insightful pitching session where participating teams presented their innovative ideas and entrepreneurial concepts before a panel of judges. The session aimed to encourage creativity, problem-solving, and practical thinking among participants while providing them a platform to showcase their potential.

Several teams took the stage to present their projects, each addressing real-world challenges through unique solutions. The participants demonstrated a deep understanding of market needs, feasibility, and innovation. Their presentations included comprehensive business models, prototype demonstrations, and clear value propositions.

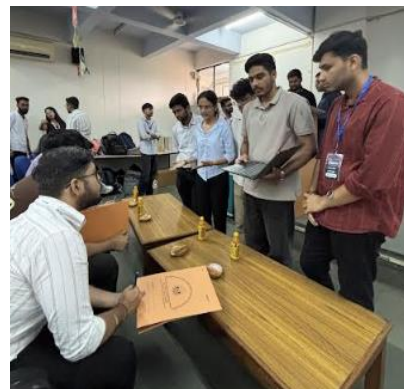

Overall, the pitching session at *Envisage* was a resounding success, reflecting the creativity, teamwork, and entrepreneurial energy of all participants.

SPEAKER SESSION

The *Envisage* event featured an inspiring and thought-provoking session by Mr. Saarthak Bakshi, an accomplished entrepreneur and the CEO of RISSA IVF, who captivated the audience with his remarkable journey in the world of business and innovation.

His insights into leadership, strategic thinking, and perseverance left a lasting impression on the participants. Through his engaging talk, Mr. Bakshi emphasized the importance of vision, determination, and adaptability in achieving entrepreneurial success. He encouraged the participants to pursue their ideas with passion and to view obstacles as opportunities for growth and learning. His words motivated aspiring entrepreneurs to think beyond conventional limits and to bring meaningful change through innovation and creativity.

The session also included an interactive discussion, where participants eagerly asked questions about business development, startup culture, and sustainable growth. Mr. Bakshi's practical advice and honest reflections provided valuable learning for all attendees.

CONCLUSION

Envisage 4.0 proved to be a monumental success, bringing together like-minded individuals passionate about innovation and growth. The event brought together aspiring entrepreneurs, mentors, and industry professionals, providing a dynamic platform for participants to showcase their innovative business ideas. The success of *Envisage 4.0* was made possible through the dedicated efforts of the E-Cell members, whose hard work and coordination ensured the smooth execution of every round, from ideation and pitching to final evaluation. We extend our heartfelt thanks to Mr. Saarthak Bakshi for his guidance and his valuable contribution as a guest speaker. The judging panel played a crucial role in evaluating the teams' performances. With their vast experience and insightful feedback, the judges guided participants in refining their ideas and understanding real-world business challenges. Their presence added immense value to the event, motivating the teams to perform their best.
