

ISTE MSIT Student Chapter

The **Indian Society for Technical Education (ISTE)**, established in 1941 under the Societies Registration Act of 1860, is a premier national, non-profit organization dedicated to promoting excellence in technical education and professional development in engineering and technology. The MSIT ISTE Student Chapter, instituted on 24th June 2010 (Reg. No. 1862) and formally established in 2015, upholds ISTE's mission by fostering academic growth, innovation, and professional competency among students and faculty. The link for ISTE website is http://www.isteonline.in/Viewtopics.aspx?MenuId=About_Us_11

Goals

1. To promote technical education and professional development among students and faculty.
2. To foster innovation, creativity, and entrepreneurship through skill-based activities.
3. To bridge the gap between academia and industry by organizing expert lectures, workshops, and training sessions.
4. To encourage research orientation and leadership qualities in students and educators.

Functions

1. Organizing conferences, seminars, and training programs to enhance technical knowledge.
2. Facilitating collaboration and networking among students, faculty, and industry professionals.
3. Conducting professional development programs for teachers and technical staff.
4. Promoting student participation in innovative projects, competitions, and community-oriented initiatives.

Departments

The ISTE MSIT Student Chapter comprises various departments including web development, AI ML, Public Relations and outreach, Content, Social media , Event Management and research each contributing to the smooth execution of academic and professional activities.
