Webinar Report on "Preparation for Accenture campus drive"

Organized on: 12th July at 7 PM.

Expert name- Ajinkya Kulkarni,Co-founder Placement Preparation Specialist (Talent Battle)

Organized by: Dr. Meena Rao, Placement Committee Convener

Mr. Ajinkya Kulkarni, from Talent Battle guided the students on how to prepare for the upcoming Accenture drive. Accenture is a leading global professional services company, renowned for providing a wide array of services and solutions in strategy, consulting, digital, technology, and operations. With its extensive global footprint and a strong commitment to innovation, Accenture stands out as an employer of choice for many professionals.

The speaker informed that preparing for a role at Accenture involves a strategic approach, encompassing thorough research, skill development, and effective networking. Understanding Accenture's corporate culture, mission, and the specific requirements of the job you are applying for is crucial. The highlight of the session was information about eligibility criteria, previous year pattern, discussion about number and type of questions.

Speaker also highlighted about how students should try to solve the questions given in coding round. Further information about pseudocode, English ability, network security, cloud etc. was also given.

All in all, it was a very informative session.
